Mosshammer, 2008-10-16 This study of early Christian methods for calculating the phases of the moon and the date for Easter Sunday offers a new explanation of how the system of numbering the years AD Anni Domini Years of the Lord originated      *The Text of New Testament* B.M. Metzger, B.D. Ehrman, 1968      **The Encyclopedia of New Testament Textual Criticism** Robert B. Waltz, 2025-01-23 This is the final version of the Encyclopedia of New Testament Textual Criticism a web site that has been updated for several decades This version released January 2025 represents the final revision The goal is to provide as much information about the sources manuscripts versions etc used to reconstruct the original text of the New Testament Note that this version is more recent than the web site and represents a small update

**The Text of the New Testament** Bruce Manning Metzger, Bart D. Ehrman, 2005 This thoroughly revised edition of Bruce M Metzger's classic work is the most up to date manual available for the textual criticism of the New Testament The Text of the New Testament Fourth Edition has been invigorated by the addition of Bart D Ehrman author of numerous best selling books on the New Testament as a coauthor This revision brings the discussion of such important matters as the early Greek manuscripts and methods of textual criticism up to date integrating recent research findings and approaches into the body of the text as opposed to previous revisions which compiled new material and notes into appendices The authors also examine new areas of interest including the use of computers in the collection and evaluation of manuscript evidence and the effects that social and ideological influences had upon the work of scribes The standard text for courses in biblical studies and the history of Christianity since its first publication in 1964 The Text of the New Testament is poised to become a definitive resource for a whole new generation of students      **THE ENCYCLOPEDIA OF THE TEXT OF THE NEW TESTAMENT** Edward D. Andrews, 2025-01-05 The Definitive Guide to the New Testament Text A Treasure Trove for Pastors Teachers and Believers How has the New Testament been preserved through the centuries How can we trust the words of Scripture we read today In The Encyclopedia of the Text of the New Testament Edward D Andrews provides an exhaustive resource that answers these critical questions with clarity and depth This authoritative volume delves into the fascinating world of New Testament textual criticism offering a comprehensive exploration of the Greek manuscripts ancient versions and early Christian writings that form the foundation of the biblical text Discover the incredible story of how God's Word has been meticulously transmitted and safeguarded across millennia From the papyrus fragments of the second century to the

printed texts of the Reformation Andrews illuminates the enduring reliability of the New Testament and the vital role of scribes scholars and historians in its preservation Packed with cutting edge research historical insights and practical tools this encyclopedia is an indispensable guide for anyone seeking a deeper understanding of the New Testament Whether you are a seasoned scholar or a curious student The Encyclopedia of the Text of the New Testament will strengthen your faith in the Bible s integrity and inspire confidence in the truths it conveys *The Cup of Song* Vanessa Cazzato,Dirk Obbink,Enrico Emanuele Prodi,2016-09-22 The symposion is arguably the most significant and well documented context for the performance transmission and criticism of archaic and classical Greek poetry a distinction attested by its continued hold on the poetic imagination even after its demise as a performance setting The Cup of Song explores the symbiotic relationship of poetry and the symposion throughout Greek literary history considering the latter both as a literal performance context and as an imaginary space pregnant with social political and aesthetic implications This collection of essays by an international group of leading scholars illuminates the various facets of this relationship from Greek literature s earliest beginnings through to its afterlife in Roman poetry ranging from the Near Eastern origins of the Greek symposion in the eighth century to Horace s evocations of his archaic models and Lucian s knowing reworking of classic texts Each chapter discusses one aspect of sympotic engagement by key authors across the major genres of Greek poetry including archaic and classical lyric tragedy and comedy and Hellenistic epigram discussions of literary sources are complemented by analysis of the visual evidence of painted pottery Consideration of these diverse modes and genres from the unifying perspective of their relation to the symposion leads to a characterization of the full spectrum of sympotic poetry that retains an eye to both its shared common features and the specificity of individual genres and texts **Geminos's Introduction to the Phenomena** James Evans,J. Lennart Berggren,2018-06-05 This is the first complete English translation of Geminos s Introduction to the Phenomena one of the most important and interesting astronomical works of its type to have survived from Greek antiquity Gracefully and charmingly written Geminos s first century BC textbook for beginning students of astronomy can now be read straight through with understanding and enjoyment by a wider audience than ever before James Evans and Lennart Berggren s accurate and readable translation is accompanied by a thorough introduction and commentary that set Geminos s work in its historical scientific and philosophical context This book is generously illustrated with diagrams from medieval manuscripts of Geminos s text as well as drawings and photographs of ancient astronomical instruments It will be of great interest to students of the history of science to classicists and to professional and amateur astronomers who seek to learn more about the origins of their science Geminos provides a clear view of Greek astronomy in the period between Hipparchos and Ptolemy treating such subjects as the zodiac the constellations the theory of the celestial sphere lunar cycles and eclipses Most significantly Geminos gives us the earliest detailed discussion of Babylonian astronomy by a Greek writer thus offering valuable insight into the cross cultural transmission of astronomical knowledge in antiquity **Unlocking the Bible: A**

**The Text of the Gospels in Clement of Alexandria** Carl P. Cosaert, 2008

**Luke the Chronicler** Mark Giacobbe, 2023-03-27 This book proposes a fresh understanding of the literary composition of Luke Acts Picking up on the ancient practice of literary mimesis the author argues that Luke's two part narrative is subtly but significantly modeled on the two part narrative found in the books of Samuel Kings and Chronicles Specifically Luke's gospel presents Jesus as the promised ultimate Davidide while the Book of Acts presents the disciples of Jesus as the heirs of the kingdom of David In addition to the proposal concerning the composition of Luke Acts the book offers compelling insights on the genre of Luke Acts and the purpose of Acts

[The Routledge Companion to Early Christian Thought](#) D. Jeffrey Bingham, 2009-12-15 The shape and course which Christian thought has taken over its history is largely due to the

contributions of individuals and communities in the second and third centuries Bringing together a remarkable team of distinguished scholars The Routledge Companion to Early Christian Thought is the ideal companion for those seeking to understand the way in which Early Christian thought developed within its broader cultural milieu and was communicated through its literature especially as it was directed toward theological concerns Divided into three parts the Companion asks how Christianity's development was impacted by its interaction with cultural philosophical and religious elements within the broader context of the second and third centuries examines the way in which Early Christian thought was manifest in key individuals and literature in these centuries analyses Early Christian thought as it was directed toward theological concerns such as God Christ Redemption Scripture and the community and its worship The Text of the Apostolos in Athanasius of Alexandria Gerald J. Donker, 2011 The text critical study of the Apostolos all of the New Testament apart from the Gospels of the fourth century Greek Father Athanasius of Alexandria has two aims in view one analytical and one methodological An initial review of Athanasius life and writings and a survey of the Alexandrian text type precede an analysis of Athanasius text to determine its classification within the major New Testament text types and particularly its suspected Alexandrian character The book also compares the results of methods traditionally used on the texts of the Fathers with the use of an alternative and advanced method multivariate analysis Unlike quantitative and group profile analyses multivariate analysis utilizes not just a single dimension but the full dimensionality of the source data Healing the Divide, Tenth Anniversary Edition Amos Smith, 2024-05-17 Healing the Divide is a bold call to understand Jesus according to the earliest lineage of Christian Mystics a call to transform our dualistic minds and heal a divided church This book is a must read if you find yourself frustrated by the fundamentalist and new age polarization of twenty first century Christianity bewildered by religious pluralism or searching for Christianity's elusive mystic core American Journal of Philology Basil Lanneau Gildersleeve, Charles William Emil Miller, Benjamin Dean Meritt, Tenney Frank, Harold Fredrik Cherniss, Henry Thompson Rowell, 1889 Each number includes Reviews and book notices **Healing the Divide** Amos Smith, 2013-03-29 Healing the Divide is a bold call to understand Jesus according to the earliest lineage of Christian Mystics a call to transform our dualistic minds and heal a divided Church This book is a must read if you find yourself frustrated by the fundamentalist and new age polarization of twenty first century Christianity bewildered by religious pluralism searching for Christianity's elusive mystic core Twenty first century Christianity is in crisis careening toward fundamentalism on the one hand and a rootless new age Christianity on the other Twenty first century Christianity is also reeling from the maze of religious pluralism Smith addresses and tempers these extremes by passionately and succinctly revealing Jesus as understood by the Alexandrian mystics The Alexandrian mystics are the most long standing lineage of early Christian mystics Their perspective on Jesus celebrates creative tensions tempers extremes and reveals Christian mysticism's definitive core
