For the first time ever, the complete provocative history behind the motion picture series that began a new tradition in science fiction film sagas. *Planet of the Apes Revisited* is the colorful, factual account of the science fiction milestone *Planet of the Apes* and the series of movies and TV shows it inspired. Through exclusive interviews with cast and crew and access to the personal archives of Arthur P. Jacobs, the producer and originator of the first film and all its spin-offs, Joe Russo and Larry Landsman present a fascinating in-depth look at the entire *Apes* canon, featuring rare behind-the-scenes photographs, details on special effects and makeup, story and screenplay developments, on-the-set changes, and post-production edits. Behind-the-scenes anecdotes, a chapter on Tim Burton's reimagining of the classic *Planet of the Apes*. The book also serves as an invaluable reference volume on Hollywood filmmaking and the many personalities who are part of the legend and lore of this outstanding adventure series. The most comprehensive guide available, *Planet of the Apes Revisited* vividly re-creates the history, the sticky studio politics, and the fascinating creative process that resulted in this unprecedented science fiction phenomenon.

**Aliens in Popular Culture** Michael M. Levy, Farah Mendlesohn, 2019-03-22. An indispensable resource, this book provides wide coverage on aliens in fiction and popular culture. The wide impact that the imagined alien has had upon Western culture has not been surveyed before. In many cases, the essays in *Aliens in Popular Culture* are the first written on the topic. The book is a compendium of short entries on notable uses of aliens in popular culture across different media and platforms by almost 90 researchers in the field. It covers science fiction from the late nineteenth century into the twenty-first century, including books, films, television, comics, games, and even advertisements. Individual essays point to the ways in which the imagined alien can be seen as a reflection of different fears and tensions within society, above all in the Anglo-American world. The book additionally provides an overview for context and suggestions for further reading. All varieties of readers will find it to be a comprehensive reference about the extra-terrestrial in popular culture.

*Alien Nation* Cannon Schmitt, 1997. Challenging the accepted view of Gothic literature as subversive, shows how the conventions of the genre gave shape to a sense of English nationality during the century when British imperial power was attaining its greatest reach. Examines the work of Ann Radcliffe, De Quincey, Charlotte Brontë, Matthew Arnold, Wilkie Collins, and Bram Stoker. Annotation copyrighted by Book News, Inc., Portland, OR.

Unnatural Companions Peter Christie, 2020-05-21 Highly compelling page turning read TNC's Cool Green Science We love our pets Dogs cats birds reptiles and other species have become an essential part of more families than ever before in North America today pets outnumber people Pet owners are drawn to their animal companions through an innate desire to connect with other species But there is a dark side to our domestic connection with animal life the pet industry is contributing to a global conservation crisis for wildlife often without the knowledge of pet owners In Unnatural Companions journalist Peter Christie issues a call to action for pet owners If we hope to reverse the alarming trend of wildlife decline pet owners must acknowledge the pets versus conservation dilemma and

concede that our well fed and sheltered cats too often prey on small backyard wildlife and seemingly harmless reptiles released into the wild might be the next destructive invasive species We want our pets to eat nutritionally healthy food but how does the designer food we feed them impact the environment Christie s book is a cautionary tale to responsible pet owners about why we must change the ways we love and care for our pets It concludes with the positive message that the small changes we make at home can foster better practices within the pet industry that will ultimately benefit our pets wild brethren     *Augustine and His Companions* George Forrest Browne,1895

The Top Books of the Year The Alien Nation Companion The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the engaging narratives that have captivated audiences this year. The Alien Nation Companion : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
