becoming the first Treasury Secretary of the United States. Historians have long told the story of America's birth as the triumph of Jefferson's democratic ideals over the aristocratic intentions of Hamilton. Chernow presents an entirely different man whose legendary ambitions were motivated not merely by self interest but by passionate patriotism and a stubborn will to build the foundations of American prosperity and power. His is a Hamilton far more human than we've encountered before from his shame about his birth to his fiery aspirations from his intimate relationships with childhood friends to his titanic feuds with Jefferson, Madison, Adams, Monroe and Burr and from his highly public affair with Maria Reynolds to his loving marriage to his loyal wife Eliza. And never before has there been a more vivid account of Hamilton's famous and mysterious death in a duel with Aaron Burr in July of 1804. Chernow's biography is not just a portrait of Hamilton but the story of America's birth seen through its most central figure. At a critical time to look back to our roots, Alexander Hamilton will remind readers of the purpose of our institutions and our heritage as Americans. 9780143034759 ALEXANDER HAMILTON NARAYAN CHANGDER, 2024-01-25.
