of Persia is not an exotic figure but a fierce Ohio farmwife who presides over a household of daughters and granddaughters. The novel tells their stories through the eyes of the youngest members of the family, four cousins who spend summers on the farm for them both a life-giving Eden and the source of terrible discoveries about desire and loss. The girls bicker and scrap, they whisper secrets at bedtime, and above all they observe the kinds of women their mothers are and wonder what kind of women they will become. But always present is the family's great trauma, the decline and eventual death from cancer of Gram's daughter Grace. A powerful story about family ties and tensions. During the Reign of the Queen of Persia is also a book about place, charting the transformation of the old hardscrabble Midwest into the commercial wilderness of modern America.

*Varieties of Exile* Mavis Gallant, 2011-04-27 Mavis Gallant is the modern master of what Henry James called the international story, the fine-grained evocation of the quandaries of people who must make their way in the world without any place to call their own. The irreducible complexity of the very idea of home is especially at issue in the stories Gallant has written about Montreal where she was born, although she has lived in Paris for more than half a century. *Varieties of Exile* Russell Banks's extensive new selection from Gallant's work demonstrates anew the remarkable reach of this writer's singular art. Among its contents are three previously uncollected stories as well as the celebrated semi-autobiographical sequence about Linnet Muir, stories that are wise, funny, and full of insight into the perils and promise of growing up and breaking loose.

*The World of Odysseus* M. I. Finley, 2002-09-30 *The World of Odysseus* is a concise and penetrating account of the society that gave birth to the Iliad and the Odyssey, a book that provides a vivid picture of the Greek Dark Ages, its men and women, works and days, morals and values. Long celebrated as a pathbreaking achievement in the social history of the ancient world, M. I. Finley's brilliant study remains as classicist Bernard Knox notes in his introduction to this new edition as indispensable to the professional as it is accessible to the general reader, a fundamental companion for students of Homer and Homeric Greece.

*The Stuffed Owl* D.B. Wyndham Lewis, Charles Lee, 2003-04-30 The editors of this legendary and hilarious anthology write: "It would seem at a hasty glance that to make an anthology of Bad Verse is on the whole a simple matter. On the contrary, Bad Verse has its canons like Good Verse. There is bad Bad Verse and good Bad Verse. It has been the constant preoccupation of the compilers to include in this book chiefly good Bad Verse. Here indeed one finds the best of the worst of the greatest poets of the English language, masterpieces of the maladroit by Dryden, Wordsworth, and Keats among many others, together with an index." Maiden feathered, uncontrolled appetites of 59 Manure adjudged a fit subject for the Muse 91 that is itself an inspired work of folly.

***The Wedding of Zein*** Tayeb Salih, 2011-04-20 *The Wedding of Zein* unfolds in the same village on the upper Nile where Tayeb Salih's tragic masterpiece *Season of Migration to the North* is set. Here however the story that emerges through the overlapping, sometimes contradictory voices of the villagers is comic. Zein is the village idiot, and everyone in the village is dumbfounded when the news goes around that he will be getting married. Zein, the freak, Zein who burst into laughter the moment he was born and has kept women and children laughing ever since.

Zein who lost all his teeth at six and whose face is completely hairless Zein married at last Zein's particular role in the life of the village has been the peculiar one of falling in love again and again with girls who promptly marry another man It would be unheard of for him to get married himself In Tayeb Salih's wonderfully agile telling the story of how this miracle came to be is one that engages the tensions that exist in the village or indeed in any community tensions between the devout and the profane the poor and the propertied the modern and the traditional In the end however Zein's ridiculous good luck augurs an ultimate reconciliation opening a prospect of a world made whole Salih's classic novella appears here with two of his finest short stories *The Doum Tree of Wad Hamid* and *A Handful of Dates* *Original Letters from India* Eliza Fay, 2010-02-02

Eliza Fay's origins are obscure she was not beautiful rich or outlandishly accomplished Yet the letters she wrote from her 1779 voyage across the globe captivated E M Forster who arranged for their British publication in 1925 The letters have been delighting readers ever since with their truth is stranger than fiction twists and turns their earthy humor and their depiction of an indomitable woman When the intrepid Mrs Fay departed from Dover more than two hundred years ago she embarked on a grueling twelve month journey through much of Europe up the Nile over the deserts of Egypt and finally across the ocean to India Along the way her party encountered wars territorial disputes brigands and even imprisonment Fay was a contemporary of Jane Austen but her adventures are worthy of a novel by Daniel Defoe These letters unfiltered forthright and often hilarious bring the perils and excitements of an earlier age to life **Slow Days, Fast Company** Eve Babitz, 2016-08-30

No one burned hotter than Eve Babitz Possessing skin that radiated its own kind of moral laws spectacular teeth and a figure that was the stuff of legend she seduced seemingly everyone who was anyone in Los Angeles for a long stretch of the 1960s and 70s One man proved elusive however and so Babitz did what she did best she wrote him a book *Slow Days Fast Company* is a full fledged and full bodied evocation of a bygone Southern California that far exceeds its mash note premise In ten sun baked Santa Ana wind swept sketches Babitz re creates a Los Angeles of movie stars distraught over their success socialites on three day drug binges holed up in the Chateau Marmont soap opera actors worried that tomorrow's script will kill them off Italian femmes fatales even more fatal than Babitz And she even leaves LA now and then spending an afternoon at the house of flawless Orange County suburbanites a day among the grape pickers of the Central Valley a weekend in Palm Springs where her dreams of romance fizzle and her only solace is Virginia Woolf In the end it doesn't matter if Babitz ever gets the guy she seduces us *The Unpossessed* Tess Slesinger, 2002-08-31

Tess Slesinger's 1934 novel *The Unpossessed* details the ins and outs and ups and downs of left wing New York intellectual life and features a cast of litterateurs layabouts lotharios academic activists and fur clad patrons of protest and the arts This cutting comedy about hard times bad jobs lousy marriages little magazines high principles and the morning after bears comparison with the best work of Dawn Powell and Mary McCarthy
