

*Where were you when I laid the foundation of the earth? I made clouds its garment
and thick darkness its swaddling band...In the beginning God created the
heavens and the earth. And the earth was deserted and empty and
darkness was on the surface of the ocean...then
God said, "Let there be light."*

The Age Of The Universe What Are The Biblical Limits:

The Age of the Universe Gorman Gray, 1998-01-01 **Genesis, Science, and the Beginning** Benjamin D. Smith Jr., 2018-08-29 Christian apologist Ben Smith believes that the creation account in Genesis 1 can be read literally and historically as a real week of seven normal days without contradicting modern astronomy and geology regarding the age of the universe and Earth. Many Christians are divided over how to reconcile Genesis with modern science and this book evaluates all of the major options ultimately concluding that the Bible allows for an old universe and Earth in a way that is also scientifically accurate. A former Young Earth creationist, Smith now believes that the age of creation is not specified in the Bible and therefore scientists are free to answer the question. He believes that Christians should not hide from the controversy over the age of the Earth but should take a fresh look at the text and be impressed with its accuracy. *The Age of the Universe* Gorman Gray, 1997 *God to Us: Covenant Theology in Scripture* Stephen G. Myers, 2021-11-27 When the Lord becomes our God and we become his people, we are in covenant with each other. Covenant theology is the study of God's unchanging purpose to secure a people to Himself for His Son. It's a redeeming purpose that unfolds throughout Divine revelation and redemptive history from the eternal intra-Trinitarian counsel of the Godhead to its historical consummation in the New Heavens and the New Earth. *God to Us* explains the purpose and work of the covenant in detail so our knowledge of God may deepen, our relationship with Him become richer as we grow into living as His people. Table of Contents 1 A History of Covenant Theology 2 The Covenant of Works 3 The Counsel of Peace 4 The Covenant of Grace 5 The Covenant of Grace Announced 6 The Noahic Covenant 7 The Abrahamic Covenant 8 The Mosaic Covenant 9 The Mosaic Covenant in the New Testament 10 The Davidic Covenant 11 The New Covenant 12 Covenant Theology in the New Testament 13 Covenant Theology and the Church **The Limitations of God** Ted Johnson, 2016-11-15 In the beginning there was God. This is the starting point for all else that you will explore. This simple sentence is the most powerful definition for who, where, when, why, and how. This is a journey that takes you through all the vantage points of life and existence. This forbidden territory is a place where we look at creation and the by-products and merge an explanation via science, the supernatural, and humanity. The dogma on either side of this age-old debate between science and scripture is addressed and possibly resolved. The aforementioned encapsulates what you will read while stimulating deep emotion on a topic that churns with controversy and conflict. This is a book that will make you look at yourself and your personal convictions. As I discuss issues related to our self-worth and purpose, other doors are opened to questions yet answered. This book introduces both the creator and creation from the very beginning. You will find support for both. For the believer, it will serve as a tool to strengthen and reinforce your conviction. For those who are not yet convinced that a creator exists, I offer evidence that illustrates life as a plan and not an accident. I have also incorporated into the book several human interest events, all based on truth and real life events. All things written leading to the final reality that has a somewhat poetic ending. An ending that personally brings a sense of

understanding and peace that is spiritually calming *Origin by Design* Harold G. Coffin, Robert H. Brown, R. James Gibson, L. James Gibson, 2005 In search of evidence for design the authors leave no stone unturned After surveying the Genesis creation and flood narratives they examine coal beds fossil tracks mass extinctions glaciation volcanism carbon 14 dating rates of mutation and Neanderthal man looking for clues to the age and origin of life on earth With copious illustrations this updated revision incorporates new advances in plate tectonics turbidity currents and recent geological catastrophes A wonderful science based textbook and reference for the question of our beginnings **The Last Trumpet** Raymond W. Thompson, 2008-04 Organizing end time events in easy to understand chronological order this resource makes clear the patterns and parallels mentioned throughout the Bible relating to the second coming of Jesus Christian **Adam as Israel** Seth D Postell, 2012-04-26 Postell contends that the opening chapters of the Bible when interpreted as a strategic literary introduction to the Torah and to the Tanakh intentionally foreshadows Israel's failure to keep the Sinai Covenant and their consequent exile from the Promised Land in order to point the reader to a future work of God Postell highlights numerous intentional links between the story of Adam and the story of Israel and in the process explains numerous otherwise perplexing features of the Eden story Postell employs a wealth of theologies to support his argument including those of Nicholas of Lyra John Calvin Wellhausen Johannes Cocceus and Matthew Poole successfully breathing new life into the wealth of exegeses *Beyond the Boundaries of Science* Latha Christie, 2019-03-29 Is the origin of life a lucky roll of cosmic dice Who is behind the origin of the universe What do the latest scientific discoveries say about the origin of space and time *Beyond the Boundaries of Science* explores the cosmic puzzles that accompany our greatest scientific advances It suggests that there is more beyond the reach of science a super intelligent Designer behind these mysteries It takes both science and the Bible seriously comparing the latest scientific theories with the account in Genesis interpreted as a revelation of the sequence of our origins *The Creation* Don Stewart, Josh McDowell, 1984 *Why I Am a Christian* Norman L. Geisler, Paul K. Hoffman, 2006-12 Now with a new chapter on Why I Am Not a Muslim by an ex Muslim *Why I Am a Christian* is an even more helpful resource in our global times **Josh McDowell Answers Five Tough Questions** Josh McDowell, 1991
