The Ultimate Guide to Crocodilians in Captivity Christopher T. Dieter, 2000

Crocodilians are the largest and most awe inspiring reptiles available in the modern reptile trade **Psychoanalytic Ecology** Rod Giblett, 2019-02-25 Psychoanalytic Ecology applies Freudian concepts beginning with the uncanny to environmental issues such as wetlands and their loss to alligators and crocodiles as inhabitants of wetlands and to the urban underside It also applies other Freudian concepts such as sublimation symptom mourning and melancholia to environmental issues and concerns Mourning and melancholia can be experienced in relation to wetlands and to their loss The city is a symptom of the will to fill or drain wetlands This book engages in a talking cure of psychogeopathology environmental psychopathology mental land illness environmental illness manifested also in industries such as mining and pastoralism that practice greed and gluttony Psychoanalytic Ecology promotes gratitude for generosity as a way of nurturing environmental health to prevent the manifestation of these psychogeopathological symptoms in the first place Melanie Klein's work on anal sadism is applied to mining and Karl Abraham's work on oral sadism to pastoralism Finally Margaret Mahler's and Jessica Benjamin's work on psycho symbiosis is drawn on to nurture bio and psycho symbiotic livelihoods in bioregional home habitats of the living earth in the symbiocene the hoped for age superseding the Anthropocene Psychoanalytic Ecology demonstrates the power of psychoanalytic concepts and the pertinence of the work of several psychoanalytic thinkers for analysing a range of environmental issues and concerns This book will be of great interest to students and scholars of environmental psychology psychoanalysis and the environmental humanities **Everglades Wildguide** Jean Craighead George, 1988 This official color poster provides an artist's conception of Everglades wildlife *Environmental Humanities and the Uncanny* Rod Giblett, 2019-04-12 Sigmund Freud's essay The Uncanny is celebrating a century since publication It is arguably his greatest and most fruitful contribution to the study of culture and the environment Environmental Humanities and the Uncanny brings into the open neglected aspects of the uncanny in this famous essay in its centenary year and in the work of those before and after him such as Friedrich Schelling Walter Benjamin E T A Hoffmann and Bram Stoker This book does so by focussing on religion especially at a time and for a world in which some sectors of the monotheisms are in aggressive and sometimes violent contention against those of other monotheisms and even against other sectors within their own monotheism The chapter on Schelling's uncanny argues that monotheisms come out of polytheism and makes the plea for polytheism central to the whole book It enables rethinking the relationships between mythology and monotheistic and polytheistic religions in a culturally and politically liberatory and progressive way Succeeding chapters consider the uncanny cyborg the uncanny and the fictional and the uncanny and the Commonwealth concluding with a chapter on Taoism as a polytheistic religion Building on the author's previous work in Environmental Humanities and Theologies in bringing together theories of religion and the environment this book will be of great interest to students and scholars of the environmental

humanities ecocultural studies and religion **Environmental Humanities and Theologies** Rod Giblett, 2018-06-13 Many ways of thinking about and living with the environment have their roots in the Bible and the Christian cultural tradition Environmental Humanities and Theologies shows that some of these ways are problematic It also provides alternative ways that value both materiality and spirituality Beginning with an environmentally friendly reading of the biblical story of creation Environmental Humanities and Theologies goes on to discuss in succeeding chapters the environmental theology of wetlands dragons and watery monsters including crocodiles and alligators in the Bible and literature It then gives a critical reading of the environmental theology of the biblical book of Psalms Theological concepts are found in the works of English writers of detective and devotional stories and novels American nature writers and European Jewish writers as succeeding chapters show Environmental Humanities and Theologies concludes with an appreciation for Australian Aboriginal spirituality in the swamp serpent It argues for the sacrality of marsh monsters and swamp serpents as figures of reverence and respect for living bio and psycho symbiotic livelihoods in bioregions of the living earth in the Symbiocene This is the hoped for age superseding the Anthropocene Environmental Humanities and Theologies is aimed at those who have little or no knowledge of how theology underlies much thinking and writing about the environment and who are looking for ways of thinking about being and living with the earth that respect and value both spirituality and materiality It is a new text nurturing sacrality for the Symbiocene **Exploring Wild South Florida** Susan D. Jewell, 2002 Offers a guide to the wildlife and natural areas of the Everglades the Florida Keys and other South Florida natural environments The Alligator, King of the Wilderness William B. Hartley, Ellen Hartley, 1977 Discusses the alligator a large reptile with a reputation for savagery that has come close to extinction due to unrestricted hunting and poaching *Seasonal Guide to the Natural Year* M.
