

This map shows all the 1243 miles of state-owned, or privately owned canals operated within the boundaries of Pennsylvania over a period of nearly 135 years. Not all of these canals were in operation concurrently. Also indicated are the state-owned or privately owned railroads which formed an integral part of the canal system. Connecting canals or navigation systems to the surrounding states are also shown. (Map prepared by the author)

Canals For A Nation Ronald E. Shaw, 2014-02-07 All but forgotten except as a part of nostalgic lore American canals during the first half of the nineteenth century provided a transportation network that was vital to the development of the new nation They lowered transportation costs carried a vast grain trade from western farms to eastern ports delivered Pennsylvania coal to New York and carried thousands of passengers at what seemed effortless speed Along their courses sprang up new towns and cities and with them new economic growth Canals for a Nation brings together in one volume a survey of all the major American canals Here are accounts of innovative engineering of near heroic figures who devoted their lives to canals and of canal projects that triumphed over all the uncertainties of the political process

Engineering Pittsburgh: A History of Roads, Rails, Canals, Bridges & More ASCE Pittsburgh Section 100th Anniversary Publication Committee, 2018-09-10 Western Pennsylvania's infrastructure is renowned for traversing valleys mountains rivers and everything in between Early surveying in the region delineated state and local boundaries that allowed for the mapping of canals railroads and roadways Engineers developed bridges ground transportation systems and airports that linked Pittsburgh to the world Frequently overflowing rivers transformed into reliable navigation passageways Drinking water and wastewater treatment systems allowed development and population to flourish leading to investments in iconic buildings Join expert civil engineers and professionals as they narrate the story of Pittsburgh and the surrounding region's engineering triumphs
The Delaware Canal: From Stone Coal Highway to Historic Landmark Marie Murphy Duess, 2008-08-29 Vault aboard a hinge boat with Marie Duess as she nimbly navigates the historic waters of the Delaware Canal Any ramble along the now serene Pennsylvania waterway will show you why its beauty inspired so many famous brushstrokes But only on a voyage with Duess will you dock at hidden places that doubled as underground railroad stops and Prohibition era speakeasies and witness the inventive genius of Josiah White and the instinct and muscles of the endearing mules that hauled the nation into the Industrial Revolution By journey's end you will be reluctant to part with your newfound boatmates after looking into the hopeless eyes of five year old mine laborers and listening to the rousing choruses of boat captains who poured a hearty lifetime into steering coal from Easton to Bristol
