## **The American Census A Social History:**

**The American Census** Margo J. Anderson, 1988-01-01      [The American Census](#) Margo J. Anderson, 2015-08-25 This book is the first social history of the census from its origins to the present and has become the standard history of the population census in the United States The second edition has been updated to trace census developments since 1980 including the undercount controversies the arrival of the American Community Survey and innovations of the digital age Margo J Anderson s scholarly text effectively bridges the fields of history and public policy demonstrating how the census both reflects the country s extraordinary demographic character and constitutes an influential tool for policy making Her book is essential reading for all those who use census data historical or current in their studies or work      [Encyclopedia of North American Immigration](#) John Powell, 2009 Presents an illustrated A Z reference containing more than 300 entries related to immigration to North America including people places legislation and more      **The Social History of the American Family** Marilyn J. Coleman, Lawrence H. Ganong, 2014-09-02 The American family has come a long way from the days of the idealized family portrayed in iconic television shows of the 1950s and 1960s The four volumes of The Social History of the American Family explore the vital role of the family as the fundamental social unit across the span of American history Experiences of family life shape so much of an individual s development and identity yet the patterns of family structure family life and family transition vary across time space and socioeconomic contexts Both the definition of who or what counts as family and representations of the ideal family have changed over time Available in both digital and print formats this carefully balanced academic work chronicles the social cultural economic and political aspects of American families from the colonial period to the present Key themes include families and culture including mass media families and religion families and the economy families and social issues families and social stratification and conflict family structures including marriage and divorce gender roles parenting and children and mixed and non modal family forms and family law and policy Features Approximately 600 articles richly illustrated with historical photographs and color photos in the digital edition provide historical context for students A collection of primary source documents demonstrate themes across time The signed articles with cross references and Further Readings are accompanied by a Reader s Guide Chronology of American Families Resource Guide Glossary and thorough index The Social History of the American Family is an ideal reference for students and researchers who want to explore political and social debates about the importance of the family and its evolving constructions Key Themes Families and Culture Families and Experts Families and Religion Families and Social Change Families and Social Issues Problems Crises Families and Social Media Families and Social Stratification Social Class Families and Technology Families and the Economy Families in America Families in Mass Media Families Family Life Social Identities Family Advocates and Organizations Family Law and Family Policy Family Theories History of American Families      **A Social History of Knowledge II** Peter Burke, 2012-01-17 This text argues that activities which appear to be timeless are in

fact time bound and take different forms in different periods and places The book also tries to counter the tendency to write a triumphalist history of the growth of knowledge by discussing losses of knowledge and the price of specialization

**Running the Numbers: A Practical Guide to Regional Economic and Social Analysis: 2014** John

Quinterno,2014-12-18 Through use of practical examples and a plainspoken narrative style that minimises the use of maths this book demystifies data concepts sources and methods for public service professionals interested in understanding economic and social issues at the regional level By blending elements of a general interest book a textbook and a reference book it equips civic leaders public administrators urban planners nonprofit executives philanthropists journalists and graduate students in various public affairs disciplines to wield social and economic data for the benefit of their communities While numerous books about quantitative research exist few focus specifically on the public sector Running the Numbers in contrast explores a wide array of topics of regional importance including economic output demographics business structure labour markets and income among many others To that end the book stresses practical applications minimises the use of maths and employs extended chapter length examples that demonstrate how analytical tools can illuminate the social and economic workings of actual American regions

**A Social History of the American Family from Colonial Times to the**

**Present** Arthur Wallace Calhoun,1919

**Finding a New Midwestern History** Jon K. Lauck,Gleaves Whitney,Joseph

Hogan,2018-11-01 In comparison to such regions as the South the far West and New England the Midwest and its culture have been neglected both by scholars and by the popular press Historians as well as literary and art critics tend not to examine the Midwest in depth in their academic work And in the popular imagination the Midwest has never really ascended to the level of the proud literary South the cultured democratic Northeast or the hip innovative West Coast Finding a New Midwestern History revives and identifies anew the Midwest as a field of study by promoting a diversity of viewpoints and lending legitimacy to a more in depth rigorous scholarly assessment of a large region of the United States that has largely been overlooked by scholars The essays discuss facets of midwestern life worth examining more deeply including history religion geography art race culture and politics and are written by well known scholars in the field such as Michael Allen Jon

Butler and Nicole Etcheson

**Working with Class**

Daniel J. Walkowitz,2003-07-11 Polls tell us that most Americans whether they earn 20 000 or 200 000 a year think of themselves as middle class As this phenomenon suggests middle class is a category whose definition is not necessarily self evident In this book historian Daniel Walkowitz approaches the question of what it means to be middle class from an innovative angle Focusing on the history of social workers who daily patrol the boundaries of class he examines the changed and contested meaning of the term over the last one hundred years Walkowitz uses the study of social workers to explore the interplay of race ethnicity and gender with class He examines the trade union movement within the mostly female field of social work and looks at how a paradigmatic conflict between blacks and Jews in New York City during the 1960s shaped late twentieth century social policy concerning work opportunity and entitlements In

all this is a story about the ways race and gender divisions in American society have underlain the confusion about the identity and role of the middle class      Pittsburgh Surveyed Maurine Greenwald,Margo Anderson,1996-10-15 At the beginning of the century Pittsburgh was the center of one of the nation s most powerful industries iron and steel It was also the site of an unprecedented effort to study the effects of industry on one American city The Pittsburgh Survey 1909 1914 brought together statisticians social workers engineers lawyers physicians economists labor investigators city planners and photographers They documented Pittsburgh s degraded environment corrupt civic institutions and exploited labor force and made a compelling case in four books and two collections of articles for reforming corporate capitalism In its literary history and visual power breadth and depth the Pittsburgh Survey remains an undisputed classic of social science research Like the Lynds Middletown studies of the 1920s the Survey captured the nation s attention and Pittsburgh came to symbolize the problems and way of life of industrial America as a whole A landmark volume in its own right this book of thirteen essays examines the accuracy and impact of the Pittsburgh Survey both on social science as a discipline and on Pittsburgh itself It also places the Survey firmly in the context of the social reform movement of the early twentieth century      **Nearby History** David E. Kyvig,Myron A. Marty,2000 In the Second Edition of Nearby History the authors have updated all chapters introduced information about internet sources and uses of newer technologies as well as updated the appendices

**Encyclopedia of Social History** Peter N. Stearns,1993-12-21 A reference surveying the major concerns findings and terms of social history The coverage includes major categories within social history family demographic transition multiculturalism industrialization nationalism major aspects of life for which social history has provided a crucial per

**Antecedents of Censuses from Medieval to Nation States** Rebecca Jean Emigh,Dylan Riley,Patricia Ahmed,2016-01-26 Antecedents of Censuses From Medieval to Nation States the first of two volumes examines the influence of social formations on censuses from the medieval period through current times The authors argue that relative influence of states and societies is probably not linear but depends on the actual historical configuration of the states and societies as well as the type of population information being collected They show how information gathering is an outcome of the interaction between states and social forces and how social resistance to censuses has frequently circumvented their planning prevented their implementation and influenced their accuracy      *A History of the Book in America* Scott E. Casper,Jeffrey D. Groves,Stephen W. Nissenbaum,David D. Hall,Michael P. Winship,2009-09-15 Volume 3 of A History of the Book in America narrates the emergence of a national book trade in the nineteenth century as changes in manufacturing distribution and publishing conditioned and were conditioned by the evolving practices of authors and readers Chapters trace the ascent of the industrial book a manufactured product arising from the gradual adoption of new printing binding and illustration technologies and encompassing the profusion of nineteenth century printed materials which relied on nationwide networks of financing transportation and communication In tandem with increasing educational opportunities and rising

literacy rates the industrial book encouraged new sites of reading gave voice to diverse communities of interest through periodicals broadsides pamphlets and other printed forms and played a vital role in the development of American culture Contributors Susan Belasco University of Nebraska Candy Gunther Brown Indiana University Kenneth E Carpenter Newton Center Massachusetts Scott E Casper University of Nevada Reno Jeannine Marie DeLombard University of Toronto Ann Fabian Rutgers University Jeffrey D Groves Harvey Mudd College Paul C Gutjahr Indiana University David D Hall Harvard Divinity School David M Henkin University of California Berkeley Bruce Laurie University of Massachusetts Amherst Eric Lupfer Humanities Texas Meredith L McGill Rutgers University John Nerone University of Illinois Stephen W Nissenbaum University of Massachusetts Lloyd Pratt Michigan State University Barbara Sicherman Trinity College Louise Stevenson Franklin Marshall College Amy M Thomas Montana State University Tamara Plakins Thornton State University of New York Buffalo Susan S Williams Ohio State University Michael Winship University of Texas at Austin **The Cambridge**

**Economic History of the United States** Stanley L. Engerman, Robert E. Gallman, 1996 This three volume work offers a comprehensive survey of the history of economic activity and economic change in the United States and in those regions whose economies have at certain times been closely allied to that of the US **The Sum of the People** Andrew Whitby, 2020-03-31 This fascinating three thousand year history of the census traces the making of the modern survey and explores its political power in the age of big data and surveillance In April 2020 the United States will embark on what has been called the largest peacetime mobilization in American history the decennial population census It is part of a tradition of counting people that goes back at least three millennia and now spans the globe In *The Sum of the People* data scientist Andrew Whitby traces the remarkable history of the census from ancient China and the Roman Empire through revolutionary America and Nazi occupied Europe to the steps of the Supreme Court Marvels of democracy instruments of exclusion and at worst tools of tyranny and genocide censuses have always profoundly shaped the societies we've built Today as we struggle to resist the creep of mass surveillance the traditional census direct and transparent may offer the seeds of an alternative

*The Early Republic and Antebellum America: An Encyclopedia of Social, Political, Cultural, and Economic History* Christopher G. Bates, 2015-04-08 First Published in 2015 This text holds four volumes of essays and entries on the early Republic and Antebellum era in America spanning the end of the American Revolution in 1781 to the outbreak of Civil War in 1861 The Americans forged a new government in theory and then in practice with the beginnings of industrialisation and the effects of urbanisation widespread poverty labour strife debates around slavery and sectional discord By the end of the nineteenth century American had a powerhouse economy new technologies and the emergence of major social reform movements creation of uniquely American art and literature and the conquest of the West This encyclopaedia offers a historic reference **Ancestry magazine**, 1994-07 Ancestry magazine focuses on genealogy for today's family historian with tips for using Ancestry.com advice from family history experts and success stories from genealogists across the globe Regular
