So Slow The Dawning:

Middlebrow Modernism Melinda J. Cooper, 2022-10-01 Eleanor Dark 1901-85 is one of Australia's most innovative 20th century writers. Her extensive oeuvre includes ten novels published from the early 1930s to the late 1950s and represents a significant engagement with global modernity from a unique position within settler culture. Yet Dark's contribution to 20th century literature has been undervalued in the fields of both Australian literary studies and world literature. Although two biographies have been written about her life, there has been no book-length critical study of her writing published since 1976. *Middlebrow Modernism* counters this neglect by providing the first full-length critical survey of Eleanor Dark's writing to be published in over four decades. Focusing on the fiction that Dark produced during the interwar years and reading this in the context of her larger body of work, this book positions Dark's writing as important to the study of Australian literature and global modernism. Melinda Cooper argues that Dark's fiction exhibits a distinctive aesthetic of middlebrow modernism which blends attributes of literary modernism with popular fiction. It seeks to mediate and reconcile apparent binaries: modernism and mass culture, liberal humanism and experimental aesthetics, settler society and international modernity. The term middlebrow modernism also captures the way Dark negotiated cosmopolitan commitments with more place-based attachments to nation and local community within the mid-20th century. *Middlebrow Modernism* posits that Dark's fiction and the broader phenomenon of Australian modernism offer essential case studies for larger debates operating within global modernist and world literature studies, providing perspectives these fields might otherwise miss.

Homestead Homilies Barry Blackstone, 2017-01-31 Relive through reminiscing and remembering a Maine pastor's recollections of boyhood experiences that turned into a minister's messages in old age. After five decades, Barry's first message was preached in 1966. Travel back in time with a lifelong Maineite to his home place, the Blackstone homestead of Perham, Maine. What sparked these homilies was his inheritance of seven acres of the family farm homesteaded in 1861 and the receiving of his grandparent's house built in 1924 at the death of his Uncle Paul. You will probably come to the same conclusion as this coastal Maine pastor: that his seminary training began long before he attended a Bible school in South Carolina in the early 1970s. Flash back with him to the 1950s and 1960s when spiritual lessons were everywhere on his rural potato and dairy farm. Pastor Blackstone didn't know it then but realizes now that he was surrounded by family Bible teachers and friendly Biblical instructors that eventually would inspire this series of sermons. *Homestead Homilies* is a collection of scriptural observations inspired by a dog named Rover, an uncle named Read, a moonlit night, a barnyard hedge, a day plowing, a grandmother's helpful hand, a bee hive, a simple prayer, a sparrow's song, and many more simple events in a past age where homilies were being preached and now eventually heard. It is the author's prayer that these simple sermons will provoke the reader to remember long lost messages from their distant past.

Victory's Bright Dawn Eric Thomson, 1900 Captain Siobhan Dunmoore wanted to believe the long war against the invading Shrehari Empire had finally banished the ghosts of her past.

But when her ship *Iolanthe* a heavily armed man of war masked as a bulk freighter finds itself in need of replenishment after a long patrol spent stalking human and alien foes she is confronted with events eerily reminiscent of a past she thought buried When evidence of treason and marauders bold enough to strike a Navy outpost leave her no choice Dunmoore knows she must finish the cleanup job Fleet Headquarters ordered her to abandon years ago Fortunately *Iolanthe* and her crew are the perfect instruments with which to dispense much needed retribution despite General Orders and the Fleet's bureaucracy doing their best to tie a captain's hands With her ship taking on the guise of a privateer she sets out on a merciless hunt to eliminate a band of soulless soldiers of fortune and teach the ghosts of her past a lesson they will never forget

Sixteen years ago charismatic cult leader Mordecai Young was killed when the Young Believers compound was attacked by the ATF and became an inferno. Everyone inside was presumed dead, the leader and his teenage followers alike. But a handful of girls escaped, one of them with Mordecai's infant daughter, and they were not the only survivors. The events of that long ago day created a tsunami that will smash into the lives of six women and everyone they love years later. Included in this series are *THICKER THAN WATER*. Charismatic cult leader Mordecai Young was brought down in a government raid on the Young Believers compound sixteen years ago. So were most of his teenage followers. But not all of them. Jewel and Lizzie were making their escape with Lizzie's baby girl when the compound caught fire. Lizzie was hit in the crossfire and begged Jewel to save her baby, fathered by the cult leader. *COLDER THAN ICE*. In 1987 young ATF agent Joshua Kendall was part of a raid on the Young Believers cultish compound. His bullet killed an innocent girl, and his guilt has destroyed everything good in his life ever since. But there's something in River's eyes that convinces her to believe him. As the incoming police chief of Blackberry, Vermont, she has a pretty big conflict of interest. But when she looks at River, she doesn't see a crazed killer on the run; she sees a fellow cop in trouble, and for the life of her, she can't stop herself from helping him. *KILLING ME SOFTLY*. Bryan's high school girlfriend Dawn knows she's the only one who can help him. But it will mean facing Bryan for the first time five years after running away without a word. Worse, it'll mean facing the demons that chased her across the country to begin with. He might never forgive her. But he has to accept her help when the victims start to pile up. They both know they're the only ones who can stop the murders. *KILL ME AGAIN*. Olivia has secrets that could get her killed. It makes her nervous that the reclusive author she invited to be the guest speaker at a private fundraiser was apparently the target of a professional hit. But that has to be who he is. Aaron Westhaven, the author she's read so much, he feels like a friend. The card she's shown is the one she sent him, the handwriting on the back, her own. He was due to arrive the same day the stranger was found. *KISS ME, KILL ME*. Carrie Overton's personal miracle came on the side of a deserted country road sixteen years ago. On her way to her new life, she helped a young woman deliver to a baby boy. But the women vanished, leaving the baby behind, and was not seen again until she was found murdered.
