The chapter on Symbolic Interactionism now discusses work on the sociology of emotions. The concluding chapter now discusses affect theory and theories of proscription, one of the newest developments in consumer theory. The chapter on Contemporary Theories of Modernity includes a new section on the work of Charles Taylor. New perspectives on the work of Immanuel Wallerstein have been added to the chapter on Neo-Marxian theories. The opening historical sketch chapters now include a discussion of colonialism as one of the forces that shaped modern society, new material on the historical significance of early women founders, and a section on theories of race.

Social Control and Social Change Liddell Henry, 2019-08-24. Socialization is predominately an unconscious process by which a new-born child learns the values, beliefs, rules, and regulations of society or internalizes the culture in which it is born. Social control is described in detail at the end of the book. It is intended as a book for undergraduate and postgraduate students of sociology and a reference tool to the researchers and academic professionals. This comprehensive and well-structured book presents in a systematic way the Social Control and Social Change. The book is undoubtedly a valuable asset.
