The Devil is Loose Graham Shelby, 1973 Little Dorrit (1857) NOVEL Charles Dickens, 2018-10-21 First serialised between 1855 and 1857. The novel is a work of satire on the shortcomings of the government and society. Remains of the Marshalsea of the period. Much of Dickens' ire is focused upon the institutions of debtor's prisons in which people who owed money were imprisoned unable to work until they repaid their debts. Most other critiques are about other issues with regards to the social safety net industry and the treatment and safety of workers, the bureaucracy of the British government's ministries and the separation of people based on the lack of intercourse between the classes. **Writing between the Lines** Agnes Whitfield, 2006-03-03 The essays in *Writing between the Lines* explore the lives of twelve of Canada's most eminent anglophone literary translators and delve into how these individuals have contributed to the valuable process of literary exchange between francophone and anglophone literatures in Canada. Through individual portraits this book traces the events and life experiences that have led W. H. Blake, John Glassco, Philip Stratford, Joyce Marshall, Patricia Claxton, Doug Jones, Sheila Fischman, Ray Ellenwood, Barbara Godard, Susanne de Lotbinière, Harwood John Van Burek and Linda Gaboriau into the complex world of literary translation. Each essay portrait examines why they chose to translate and what linguistic and cultural challenges they have faced in the practice of their art. Following their relationships with authors and publishers the translators also reveal how they have defined the goals and the process of literary translation. Containing original detailed biographical and bibliographical material *Writing between the Lines* offers many new insights into the literary translation process and the diverse roles of the translator as social agent. The first text on Canadian translators it makes a major contribution in the areas of literary translation, comparative literature, Canadian literature and cultural studies. Maurice Quain. Dostoevsky's Unfinished Journey Robin Feuer Miller, Professor Robin Feuer Miller, 2007-01-01. How does Dostoevsky's fiction illuminate questions that are important to us today? What does the author have to say about memory and invention, the nature of evidence, and why we read? How did his readings of such writers as Rousseau, Maturin, and Dickens filter into his own novelistic consciousness? And what happens to a novel like *Crime and Punishment* when it is the subject of a classroom discussion or a conversation? In this original and wide-ranging book, Dostoevsky scholar Robin Feuer Miller approaches the author's major works from a variety of angles and offers a new set of keys to understanding Dostoevsky's world. Taking Dostoevsky's own conversion as her point of departure, Miller explores themes of conversion and healing in his fiction, where spiritual and artistic transfigurations abound. She also addresses questions of literary influence, intertextuality, and the potency of what the author termed "ideas in the air." For readers new to Dostoevsky's writings as well as those deeply familiar with them, Miller offers lucid insights into his works and into their continuing power to engage readers in our own times. *The Saturday Review of Politics, Literature, Science, Art, and Finance*, 1868.
