*AIVF Guide to International Film & Video Festivals* Kathryn Bowser,1996

*Nostalgia in Jewish-American Theatre and Film, 1979-2004* Ben Furnish,2005 Nostalgia a bittersweet yearning for the past is an important element in Jewish American performances of the late twentieth century Numerous plays and films of this time use nostalgia to engage Jewish including Yiddish cultural themes and images Nostalgia offers audiences a window through which to examine past and current social changes These include American Jews departure from Europe to America the city for the suburbs Yiddish for English as well as the civil rights women s peace and gay and lesbian movements and other transformations These performances illustrate how theatre and film transmit culture from generation to generation and between one ethnic community and the wider American scene

**Christianity and Rabbinic Judaism** Jonas E. Alexis,2011-12 The simple step of a courageous individual is not to take part in the lie One word of truth outweighs the world Alexander Solzhenitsyn In this penetrating and provocative work Jonas E Alexis challenges common assumptions about the relationship between Christianity and Rabbinic Judaism and provides compelling evidence from history and theology that demonstrates the extent to which modern Judaism has been defined by the Pharisaic and Rabbinic schools of thought As Alexis meticulously documents there has been a constant struggle between Christianity and Rabbinic Judaism since the time of Christ a struggle that will define the destiny of the West Islam according to Christianity is a historically and theologically false religion since it denies both Jesus s deity and His work of salvation at the Cross But Rabbinic Judaism Alexis argues is equally false and in many respects more dangerous to Christianity and the West than Islam since at its root Rabbinic Judaism wages war against the Logos the system of order in the world embodied by Christ In this painstakingly scholarly yet readable

work Alexis maintains that Rabbinic Judaism defined by the Pharisaic teachings now codified in the Talmud that Jesus sought to correct is a categorical and metaphysical rejection of Christianity a rejection that has had and will continue to have severe implications for Western culture intellectual history and theological exegesis *Neil Simon on Screen* Peter

Shelley,2015-02-19 Neil Simon is the most successful American playwright on Broadway and the winner of many awards including the Pulitzer Prize for Drama the Mark Twain Prize for Humor and a Kennedy Center Honor for Lifetime

Achievement Many of his plays have been adapted into films and made for television movies and he has written original screenplays and television specials This book provides a catalogue of Simon s screen work with cast and crew information synopses release dates reviews awards and DVD availability Notes on each film cover his narrative subjects and themes as well as adaptation direction and performance **The Film Researcher's Handbook** Jenny Morgan,2003-09-02 Provides an

Campbell,2011-01-16 With Multicultural Perspectives in Music Education you can explore musics from around the world with your students in a meaningful way Broadly based and practically oriented the book will help you develop curriculum for an increasingly multicultural society Ready to use lesson plans make it easy to bring many different but equally logical musical systems into your classroom The authors a variety of music educators and ethnomusicologists provide plans and resources to broaden your students perspectives on music as an important aspect of culture both within the United States and globally

**Ethnomusicology** Jennifer Post,2004-03-01 Ethnomusicology A Research and Information Guide is an annotated bibliography of books recordings videos and websites in the field of ethnomusicology The book is divided into two parts Part One is organised by resource type in catagories of greatest concern to students and scholars This includes handbooks and guides encyclopedias and dictionaries indexes and bibliographies journals media sources and archives It also offers annotated entries on the basic literature of ethnomusicological history and research Part Two provides a list of current publications in the field that are widely used by ethnomusicologists Multiply indexed this book serves as an excellent tool for librarians researchers and scholars in sorting through the massive amount of new material that has appeared in the field over the past decades Shedding Light on the Darkness Nancy Ann Lauckner,Miriam Jokiniemi,2000 Increasingly German

Studies programs include courses on the Holocaust but suitable course materials are often difficult to find Teachers in higher education will therefore very much welcome this volume that examines and reflects both the practical and theoretical aspects of teaching about the Holocaust Though designed primarily by and for North American Germanists and German Studies specialists this book will prove no less useful for teachers in other countries and associated disciplines It presents and describes successful Holocaust related courses that have been developed and taught at U S and Canadian colleges and

universities demonstrating the depth breadth and variety of such offerings while remaining mindful of the instructor's special moral responsibilities. Reflecting as it does the innovative Holocaust pedagogy in North American German and German Studies, this collection serves the needs of educators who wish to revise or update their existing Holocaust courses and of those who are seeking guidance, ideas and resources to enable them to develop their first Holocaust course or unit. A *Practical Guide to Electronic Resources in the Humanities* Ana Dubnjakovic, Patrick Tomlin, 2010-09-25. From full-text article databases to digitized collections of primary source materials, newly emerging electronic resources have radically impacted how research in the humanities is conducted and discovered. This book, covering high quality up-to-date electronic resources for the humanities, is an easy-to-use annotated guide for the librarian, student and scholar alike. It covers online databases, indexes, archives and many other critical tools in key humanities disciplines including philosophy, religion, languages and literature and performing and visual arts. Succinct overviews of key emerging trends in electronic resources accompany each chapter. The only reference guide to electronic resources written specifically for the humanities. Addresses all major humanities disciplines in one convenient guide. Concise format ideal for students, librarians and humanities researchers.

**Teaching and Studying the Holocaust** Samuel Totten, Stephen Feinberg, 2009-11-01. Originally Published in 2000 by Allyn Ida E. King. Distinguished Visitor, Professor of Holocaust Studies, Richard Stockton College and Former Director of Research at the United States Holocaust Memorial Museum. There are many scholars who are wont to criticize the teaching of the Holocaust. Many journalists critique what they regard as kitsch or trendiness. All critics of contemporary Holocaust education would do well to read this book. One cannot fail to be impressed by the quality of its learning and the seriousness of its purpose. It is a wonderful place for teachers to turn as they contemplate teaching the Holocaust, an open invitation to learn more and teach more effectively. Barry van Driel, Coordinator, International Teacher Education, Anne Frank House, Amsterdam. Teaching and Studying the Holocaust is an invaluable resource for any teacher wanting to address the complex and sometimes overwhelming history of the Holocaust in the classroom. The book offers a multitude of sensitive and responsible ways of dealing with the issue of the Holocaust. It succeeds in showing teachers very clearly how the study of the Holocaust is not just a topic for history teachers but for teachers across the curriculum. Dr. Nili Keren, Kibbutzim College of Education, Tel Aviv, Israel. Teaching about the Shoah is one of the most complicated tasks for educators. Indeed, teaching and studying this history raises unprecedented questions concerning modern civilization and presents teachers and students with tremendous challenges. Samuel Totten and Stephen Feinberg have created a volume that provides educators with essential information and new insights regarding the teaching of this history and in doing so they assist educators to face the aforementioned challenges head-on. Teaching and Studying the Holocaust does not make the task easier but it does make it possible. Samuel Totten is currently professor of Curriculum and Instruction at the University of Arkansas, Fayetteville. Prior to entering academia, he was an English and social studies teacher in Australia, Israel, California and at the U.S. House of Representatives.

Page School in Washington D C Totten is also editor of Teaching Holocaust Literature published by Allyn Bacon Stephen  
Feinberg is currently the Special Assistant for Education Programs in the National Institute for Holocaust Education at the  
United States Holocaust Memorial Museum With Samuel Totten he was co editor of a special issue Teaching the Holocaust of  
Social Education the official journal of the National Council for the Social Studies For eighteen years he was a history and  
social studies teacher in the public schools of Wayland MA     Within Our Gates Alan Gevinson,1997 These volumes are  
endlessly absorbing as an excursion into cultural history and national memory Arthur Schlesinger Jr     Forthcoming Books
