The Devil, You Say! Andrew M. Greeley, 1976 **Andrew M. Greeley** Elizabeth Harrison, 1994 A needed and timely scholarly resource beneficial as a major resource for anyone studying Greeley's life and thought a masterful collation of Greeley materials *Mephistopheles* Jeffrey Burton Russell, 1990 An excellent and important intellectual history Library Journal Using examples from theology philosophy art literature and popular culture Russell describes the great changes effected in our idea of the Devil by the intellectual and cultural developments of modern times Mephistopheles is the fourth and final volume of Jeffrey Burton Russell's critically acclaimed history of the concept of the Devil The series constitutes the most complete historical study ever made of the figure called the second most famous personage in Christianity In the first three volumes the author brought the history of Christian diabolology to the end of the Middle Ages This volume continues the story from the Reformation to the present tracing the fragmentation of the tradition [A Seagull Named Papa](#) Barry J. Robinson, 2023-05-26 A Seagull Named Papa is a gentle but powerful exploration of those aspects of our experience that invite and sometimes challenge us to develop such necessary human qualities as courage compassion tolerance humility patience defiance contrition and perseverance Get ready to laugh cry and wonder at the deeply healing experiences of a violent ex convict who is healed by a simple invitation an eight year old girl trying to recover from school yard name calling a bullying supervisor stopped in his tracks an eighty seven year old woman who never got to say goodbye to her long lost papa and married therapists fortuitously visited by a clown Exploring such themes as humility non violent resistance holding in sin tolerance poverty redemption contrition the challenge of mercy facing your inner demons and repairing the world Barry Robinson invites you to listen for that insistent call that is there at the very heart of your life urging you to be who you really are This is an inspiring fascinating and immersive read that will change the way you see yourself and the world [How to Tell God from the Devil](#) A. Roy Eckardt, 2018-01-16 How to Tell God From the Devil is the first book to depict the relationship among comedy the Devil and God Drawing from Jewish and Christian theories Eckardt describes comedy as a means to distinguish the divine from the diabolic He presents a thorough critique of efforts throughout history to justify God in the presence of radical evil and suffering How to Tell God From the Devil is a sequel to Eckardt's fascinating earlier study *Sitting in the Earth and Laughing* Eckardt offers a theological vision of the comic and shows its practical use in differentiating God from the Devil The viewpoint presupposed is a special application of the incongruity theory of humor which sees humor as an attempt to deal with inexplicable occurrences Eckardt shows how humor can make faulty explanations tolerable for examining evil and suffering particularly the notion that God can somehow be excused for the terrible evils extant in the world Eckardt critiques dualistic views that make the Devil and God independent sovereign beings and monistic views that try to reduce evil to non being Eckardt holds God to be ultimately responsible for evil in such ways that the only final resolution of evil if there is such is a form of divine comedy Eckardt employs a variety of historical psychological sociological

philosophical and theological sources He discusses and assesses such diverse figures as Martin Luther Reinhold Niebuhr Zen Buddhists Conrad Hyers Nancy A Walker Jon D Levenson and Harvey Cox How to Tell God From The Devil is an exceptional work and will be significant and enjoyable for sociologists theologians philosophers and specialists concerned with the study of humor International Who's Who of Authors and Writers 2004 Europa Publications,2003 Accurate and reliable biographical information essential to anyone interested in the world of literature TheInternational Who s Who of Authors and Writersoffers invaluable information on the personalities and organizations of the literary world including many up and coming writers as well as established names With over 8 000 entries this updated edition features Concise biographical information on novelists authors playwrights columnists journalists editors and critics Biographical details of established writers as well as those who have recently risen to prominence Entries detailing career works published literary awards and prizes membership and contact addresses where available An extensive listing of major international literary awards and prizes and winners of those prizes A directory of major literary organizations and literary agents A listing of members of the American Academy of Arts and Letters Contemporary Authors Scot Peacock,2002-02 In response to the escalating need for up to date information on writers Contemporary Authors New Revision Series brings researchers the most recent data on the world s most popular authors These exciting and unique author profiles are essential to your holdings because sketches are entirely revised and up to date and completely replace the original Contemporary Authors entries For your convenience a soft cover cumulative index is sent biannually While Gale strives to replicate print content some content may not be available due to rights restrictions Call your Sales Rep for details **The New York Times Book Review** ,1974-10 **Demons & Angels** J.K.
