A New U Ryan Craig,2018-09-11 Every year the cost of a four year degree goes up and the value goes down But for many students there s a better answer So many things are getting faster and cheaper Movies stream into your living room without ticket or concession stand costs The world s libraries are at your fingertips instantly and for free So why is a college education the only thing that seems immune to change Colleges and universities operate much as they did 40 years ago with one major exception tuition expenses have risen dramatically What s more earning a degree takes longer than ever before with the average time to graduate now over five years As a result graduates often struggle with enormous debt burdens Even worse they often find that degrees did not prepare them to obtain and succeed at good jobs in growing sectors of the economy While many learners today would thrive with an efficient and affordable postsecondary education the slow and pricey road to a bachelor s degree is starkly the opposite In A New U Faster Cheaper Alternatives to College Ryan Craig documents the early days of a revolution that will transform or make obsolete many colleges and universities Alternative routes to great first jobs that do not involve a bachelor s degree are sprouting up all over the place Bootcamps income share programs apprenticeships and staffing models are attractive alternatives to great jobs in numerous growing sectors of the economy coding healthcare sales digital marketing finance and accounting insurance and data analytics A New U is the first roadmap to these groundbreaking programs which will lead to more student choice better matches with employers higher return on investment of cost and time and stronger economic growth

Handbook of Research on Teacher Education Marilyn Cochran-Smith, Sharon Feiman-Nemser, John McIntyre, Kelly E.

Demers,2008-02-19 Co Published by Routledge Taylor Francis Group and the Association of Teacher Educators The Handbook of Research on Teacher Education was initiated to ferment change in education based on solid evidence The publication of the First Edition was a signal event in 1990 While the preparation of educators was then and continues to be the topic of substantial discussion there did not exist a codification of the best that was known at the time about teacher education Reflecting the needs of educators today the Third Edition takes a new approach to achieving the same purpose

Beyond simply conceptualizing the broad landscape of teacher education and providing comprehensive reviews of the latest research for major domains of practice this edition stimulates a broad conversation about foundational issues brings multiple perspectives to bear provides new specificity to topics that have been undifferentiated in the past includes diverse voices in the conversation The Editors with an Advisory Board identified nine foundational issues and translated them into a set of focal questions What s the Point The Purposes of Teacher Education What Should Teachers Know Teacher Capacities Knowledge Beliefs Skills and Commitments Where Should Teachers Be Taught Settings and Roles in Teacher Education Who Teaches Who Should Teach Teacher Recruitment Selection and Retention Does Difference Make a Difference Diversity and Teacher Education How Do People Learn to Teach Who s in Charge Authority in Teacher Education How Do We Know What We Know Research and Teacher Education What Good is Teacher Education The Place of Teacher Education in Teachers Education The Association of Teacher Educators ATE is an individual membership organization devoted solely to the improvement of teacher education both for school based and post secondary teacher educators For more information on our organization and publications please visit www.ate1.org
