e-Jeanne: 2004 (Part One - January through June) Jeanne Halsey,2013-02-17 Once I got started I couldn t stop The history of e Jeanne began around 1999 really ramped up when 9 11 hit our nation became more organized and intentional thereafter and continued until 2005 You see e Jeanne was a precursor of currently popular blogs although we called her an e zine She was assembled early in the morning right after my morning devotions in fact I realize that many of my morning devotions somehow crept into the e Editorials and then forwarded by e mail to over 300 people all around the world I did this two or three days a week for 10 years Like I said maybe I am a little crazy This is not a book you can rush through unless you are only looking for jokes and I am astonished how small the font has to be in order to fit everything in you re going to need a bookmark to help mark your spot Always my goal was to fulfill Let your good works shine out for all to see so that everyone will praise your Heavenly Father Matthew 5 16 Joleen Ed Bach,2018-04-14 After a ten year absence Ed Bach author of the controversial collection of short stories So Long Charlie delivers his latest and most complex novel to date Joleen Bachs latest work is an unsentimental look at two people struggling to make sense of the world the beautiful but mentally unbalanced Joleen Simmons and her clinging colorless husband Hush Simmons Entering high school Joleen becomes an immediate sensation She is sweet charming and very beautiful But that sweet high school introduction abruptly ends when a lurid side of Joleen reveals itself and she is abruptly snubbed by her many friends In college Joleen joins a well respected theatrical group where her natural gifts bring immediate success She quickly maneuvers to the top only to blow it when she is given the lead in the schools featured play and is laughed from the stage Rejected she takes a job she hates She becomes restless and marries a man she will soon regret She torments her daughter yet confides in a sister who continually betrays

her She bullies her mother yet adores a womanizing drunken father She performs whorishly in bed with a husband she refuses to kiss Reminiscent of April Wheeler in Richard Yates Revolutionary Road Joleen Simmons is a woman thrust into a life she neither wants nor accepts No one can say for certain if Joleen is a complete nut case mentally unbalanced crazy or simply someone so broken by the events of her past that she unashamedly torments and manipulates her way through life And what of Hush Simmons the fawning high school friend Joleen marries divorces then quickly lures back into bed Is it her natural beauty that drives him to the limits of his own sanity Her superior upbringing Her familys wealth Or is it Joleens raunchy behavior that steals his personal identity and turns him into a man he no longer recognizes someone so corrupted by his wifes physical aggression that he loses sight of who he is and what he has become a murderer From the author of So Long Charlie Bach delivers an existential examination into the lives of two people at war with each other and themselves a couple so riddled with childhood memories that their present actions only serve to drive them further and further apart Bach offers no answers to lifes greater mysteries Instead he brings to mind questions the reader may wonder about for years While the story and its many characters are fictionalized the storys central plot is real Chong Tze Chien Chong Tze Chien, Singapore s most promising playwright presents his sophomore collection of plays including Charged winner of the 2011 The Straits Times Life Theatre Award for Best Script Through his signature use of experimental and innovative puppetry and stage devices Chong s Charged is Singapore s most controversial and nuanced political play to date addressing the issue of racial tensions in the most explosive of scenarios that of a Chinese corporal shooting his Malay counterpart while on military duty
