*Slinky Slithertail* Margaret Brownell Lorenzen, 2001 Slinky Slithertail is such a stubborn snake He thinks he knows better than everybody else He does not want to listen to the good advice of his friends and family which means he is going to learn things the hard way by getting into big trouble Slinky has too much pride He thinks he is smarter faster and stronger than everybody else This is why he doesn't listen to his friends warnings about Farmer John and the hen house He thinks he is so quick and careful that nothing bad can happen to him Slinky has too much greed He forgets all his common sense and puts himself in danger just to satisfy his desire He really wants to eat a mouthwatering egg but does he need it NO He has enough to eat Slinky's mom is a wonderful cook but does Slinky feel satisfied with his mom's tasty dishes NO He gives into his greed Greed is a kind of hunger that has nothing to do with actually being hungry It has to do with seeing something that we really like and wanting it right then and there no matter what we have to do to get it As you will see from Slinky's predicament there can be great danger in trying to satisfy your greed
