The Dark Hole Of World Hunger And The Christian Solution:

The Dark Hole of World Hunger and the Christian Solution Lester Sumrall, 1989 In our modern society nothing is so under attack by Satan as the home Lester and Louise Sumrall have made this series to encourage you to make your home a place of love and happiness **Charisma and Christian Life** ,1990 **Faith Can Change the World** Lester Sumrall, 1951-12-12 **Paperbound Books in Print** ,1992 **Paperbound Books in Print 1995** Reed Reference Publishing, 1995-12 **Remnant Christianity in a Post-Christian World** W. Paul Jones, 2021-11-03 The contemporary Christian church is in critical decline both in membership and finances All attempts at reversal are failing primarily because of the consuming socioeconomic secular dynamic in which society is immersed in its self destructive course Consequently Christian imagery is losing its conceivability and credibility and past motivations that once encouraged belief have lost their appeal Without these as points of contact the demise of the institutional church will be relentless despite all efforts to halt it Yet as at other crisis points in history the divine promise has been to raise a faithful remnant with sufficient promise to outlast whatever the societal demise After carefully analyzing the ingredients of our societal crisis the author develops the contours of a Remnant Church to be set in place now within the present institutional churches This necessitates distilling a vital spirituality and discerning the heart of a preservable tradition sufficient to claim both personal and communal commitment Thereby prepared for the long haul the Remnant Church can emerge as a prophetic alternative

Bibliographie nationale française ,1997 **Suomalainen kirjallisuus** ,1990 **The Hole in Our Gospel 10th Anniversary Edition** Richard Stearns, 2019-09-03 This tenth anniversary edition of *The Hole in Our Gospel* features a new chapter and updated statistics along with full color photo and infographic inserts a study guide a concordance of scripture on poverty and justice and personal accounts from readers whose perspectives have been changed by *The Hole in Our Gospel* Is

our faith only about going to church studying the Bible and avoiding the most serious sins Or does God expect more Have we embraced the whole gospel or a gospel with a hole in it More than twenty years ago Rich Stearns came face to face with that question as he sat in a mud hut in Rakai Uganda listening to the heartbreaking story of an orphaned child Stearns s journey took much more than a long flight to Africa It took answering God s call on his life a call that tore him out of his corner office at one of America s most prestigious corporations to walk with the poorest of the poor in our world Stearns s compelling story demonstrates that the whole gospel was always meant to be a world changing social revolution a revolution that begins with each one of us The God Manifesto Michael Yager,2007-05 Judaism Christianity and Islam all represent departures from the law of God By traveling back through time to the moment that was Exodus the author discusses certain truths about the mysterious Entity that we call God which can act as guideposts to personal peace and world peace During the journey back to the Exodus moment we discover that this Entity however is not the loving God and forgiving deity that we have convinced ourselves it is It is in fact an Entity of power completely alien to the God we suppose Why it even chose to interject itself into human affairs is as much a mystery as its existence Whatever its nature its purpose or even if it is still alive today it knew something about us that could provide us the key to living together in peace This secret can be captured through the pages of time some 3 500 years ago when this Entity this God presented itself to mankind freed what it saw as its people from Pharaoh and left a legacy that formed the foundation of the three greatest religions in the world today **The Christian Union** Henry Ward Beecher,1873 Tragic Sense of Life (Philosophy Classic) Miguel de Unamuno,2020-12-17 *Tragic Sense of Life* is one of the most outstanding philosophical essays of Miguel de Unamuno Under the influence of S ren Kierkegaard and of Saint Ignacio de Loyola among others author made a deep foray into the existential problems of contemporary man radically distancing himself from the Aristotelian prime mover and affirming the spiritual need to believe in a personal God *Tragic Sense of Life* Miguel de Unamuno,2022-11-13 In *The Tragic Sense of Life* Miguel de Unamuno presents a profound exploration of the human condition delving into existential themes of anguish faith and the quest for meaning Written in a passionate sometimes fragmentary style Unamuno employs philosophical discourse interspersed with literary reflection illustrating the struggle between reason and faith that characterizes modern Spanish thought Set against the backdrop of early 20th century Europe the book engages with the works of existentialists and theologians while challenging prevailing dogmas making it both a personal manifesto and a philosophical inquiry into the tragedies of human existence Miguel de Unamuno was a prominent Spanish writer and philosopher intimately connected to the cultural and intellectual movements of his time including the Generation of 98 His personal experiences with loss conflict and his own oscillation between belief and doubt informed his writings Unamuno s unique position as a thinker grappling with the tension between rationalism and spirituality deeply influenced his perspective in *The Tragic Sense of Life* as he aimed to address the existential crises that plagued humanity This book is highly recommended for anyone seeking to understand the complexities

of existence through a lens of profound introspection Unamuno s insights resonate with readers wrestling with their own beliefs and existential dilemmas making this work a timeless exploration of life s tragic intricacies **Christian Advocate and Journal and Zion's Herald** ,1903 *The London Journal* ,1864 **Upside Down Verses Right Side Up** Steven Allen,2018-08-07 This is a book written out of an observation of the great need for God s full truth to be proclaimed as never before The word of God the Bible His truth is not matching the lifestyles of many proclaiming Christians today as we see the end draw near to that promised land The Lord God has opened my mind up to so many pertinent issues of today Not in judgment but in need of checking our short accounts before the Lord God Almighty God has a schedule and though Satan does not know the hour or the day just as we do not he knows the seasons and is in full attack mode to deceive and destroy As this world seems to be spinning out of control with everything it seems running at warp speed God has never been out of control and never will be We need like never before to fix our eyes on Him and His word of truth if we are to survive in the chaos of today Record number of young adults are today leaving the church and it s easy to see why when you look at all the hypocrisy that they are seeing in reference to God s truth In how we are living our lives as if this world is our hope And to all the compromise of today It s important that we don t take observation as judgment but that we examine our lives unto the full word of God Not to just live in a form of legalism and rules but living in the grace of God and living that grace out not taking advantage of that grace It should never be about judgment but encouragement to running the race as to win the prize This is my motivation Complacency in living in half truth is not truth at all *Farmstead, Stock and Home* ,1914 **The Christian Library** ,1834
