The Curious Facts Preceding My Execution:

The Curious Facts Preceding My Execution Donald E. Westlake,1973 **The Curious Facts Preceding My Execution and Other Fictions** Donald E. Westlake,1968 **Watch Your Back!** Donald E. Westlake,2007-07-31 In his classic caper novels Donald E Westlake turns the world of crime and criminals upside down the bad get better the good get worse and God save anyone caught between a thief named John Dortmunder and his most improbable plans It s a long way from the island of Manhattan to the island resort where Preston Fareweather has his hedonistic hideout avoiding the legal prosecutions of five embittered ex wives and enjoying the attentions of the prettiest gold diggers who happen to come his way A terrible human being Preston makes the terrible mistake of getting friendly with an equally dyspeptic personality a New York fence named Arnie Albright Arnie went to the island paradise to become a happier man It worked After a week with Preston Arnie comes home to New York with a whole new attitude and a proposition for his associate John Dortmunder a can t miss million dollar robbery of Preston s nearly unguarded art filled Fifth Avenue penthouse But when Dortmunder and his clean up crew get together to plan the heist they quickly get distracted and suddenly a billionaire from Fifth Avenue and a would be Tony Soprano from New Jersey have one thing in common John Dortmunder is after them both at the same time and disaster can t be far behind *Short Story Index* ,1969 **Contemporary Science Fiction Authors** Robert Reginald,2009-01-01 This bio bibliography of the golden age of the science fiction field includes 308 biographies compiled from questionnaires sent to the authors and chronological lists of 483 writers published works This facsimile reprint of the 1975 edition includes a title index introduction and minor corrections A now classic guide to the major and minor SF writers active in the early 1970s Merchants of Menace Hillary Waugh,2020-02-20 CRIME AND MYSTERY STORIES BY 20 VENDORS OF VILLAINY Mystery Writers of America is pleased to present this sinister volume of larceny deception and murder brought to you by the very finest purveyors of perfidy Donald E Westlake tells a tale of a cheating wife who tries to turn the tables on her blackmailer only to find herself caught in a bigger web of lies than she could have imagined From Robert Bloch comes a story of a man whose very best friend has the very worst plans for his wife Miriam Allen deFord tells the mystery of a family that is disappearing off the face of the Earth one by one And master of suspense Cornell Woolrich takes us south of the border for a sultry tale of jealousy death and revenge from beyond the grave And now that the transaction is complete there is nothing left but to open the book and lose yourself in any one of these twenty suspenseful stories each written by a true merchant of menace **Don't Ask** Donald E. Westlake,1993-04 Dortmunder has a job offer He s been hired by third parties to pull off heists in the past but never to lay his hands on anything this peculiar Frankly it s a bone Not just any bone A femur Well not just any femur either A femur which 800 years ago was part of a 16 year old girl who having been killed and eaten by her own family was made a saint by the Church The femur her only relic is all that s left Now two small eastern European countries Tsergovia and Votskojek are fighting like dogs over well the bone There s only

room for one of them in the United Nations General Assembly and the choice is in the hands of a powerful Catholic prelate The country that tosses him the bone is sure to be in like Flynn Dortmunder s first reaction to the Tsergovian ambassador s offer is to ask for more front money His second is to round up his gang light fingered Kelp master driver Murch and man mountain Tiny Bulcher and case the Votskojekian mission a former tramp steamer parked in the East River The current repository of the bone it will be the target of a heist carried out by land and sea with the team displaying the finesse and split second timing for which they re famous It should only be that easy Before the gang can say Saint Ferghana s knee they ve got a major fiasco on their hands one that will reach from the snow capped mountains of Votskojek to a billionaire s art crammed estate in New Hampshire But it will show once and for all that when it comes to getting revenge Dortmunder can cut to the bone What's So Funny? Donald E. Westlake,2024-09-24 Westlake is a national literary treasure and this crime novel about a gangster blackmailed into taking on an impossible heist only enhances his value Booklist starred review In what may be the best Dortmunder yarn yet Associated Press Westlake s seasoned but often scoreless crook agrees to a crime he doesn t want and doesn t believe in but a little blackmail goes a long way All it takes is a few underhanded moves by a tough ex cop named Eppick to pull Dortmunder into a game he never wanted to play With no choice he musters his always game gang and they set out on a perilous treasure hunt for a long lost gold and jewel studded chess set once intended as a birthday gift for the last Romanov czar which unfortunately reached Russia after that party was over From the moment Dortmunder reaches for his first pawn he faces insurmountable odds The purloined past of this precious set is destined to confound any strategy he finds on the board Success is not inevitable with John Dortmunder leading the attack but he s nothing if not persistent and some gambit or other might just stumble into a winning move The ironic resolution will leave both series fans and newcomers satisfied Publishers Weekly **Money for Nothing** Donald E. Westlake,2024-09-24 Great fun from one of the genre s grand masters a thriller about a family man who learns he is being paid by the Soviets to work as a covert operative Booklist One of America s best loved authors returns with a delightfully chilling new stand alone in the vein of his bestsellers The Ax and T he Hook Josh Redmont was twenty seven when the first check arrived and he had absolutely no idea what it was for Issued by United States Agent through an unnamed bank with an indeterminate address in D C someone seemed to think Josh was owed 1 000 One month later another check arrived and then another and another and Josh cashed them all Month after month year after year never a peep from the IRS never an explanation for all this seemingly found money the checks even followed Josh from one address to another as he moved through life Now after a full seven years we find him on his way to meet the wife and kids for a summer vacation Puzzled by the approach of a smiling stranger Josh s stomach seizes with dread when the unwanted greeting begins with I am from United States Agent Dumbstruck Josh attempts to feign ignorance until he hears the words You are now active Westlake creates a fascinating scenario Publishers Weekly **The Getaway Car** Donald E. Westlake,2014-09-03 This is a book for everyone anyone who likes mystery novels

or good writing or wit and passion and intelligence The New York Times Over the course of a fifty year career Donald E Westlake published nearly one hundred books including two long running series starring the hard hitting Parker and the hapless John Dortmunder With The Getaway Car we get our first glimpse of another side of Westlake the writer what he did when he wasn t busy making stuff up Mixing previously published pieces many little seen with never before published material found in Westlake s working files this compendium offers a clear picture of the man behind the books including his thoughts on his own work and that of his peers mentors and influences It opens with revealing and funny fragments from an unpublished autobiography then goes on to offer an extended history of private eye fiction a conversation among Westlake s numerous pen names letters to friends and colleagues interviews appreciations of fellow writers and much much more There s even a recipe for Sloth la Dortmunder Really A must have for Westlake fans Publishers Weekly starred review This book doesn t disappoint Westlake was a hugely entertaining and witty writer Whether he is writing a letter to his editor or about the history of his genre he remains true to his definition of what makes a great writer passion plus craft The Guardian A valuable collection Toronto Star Includes a foreword by Lawrence Block

The Curious Facts Preceding My Execution Introduction

In todays digital age, the availability of The Curious Facts Preceding My Execution books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Curious Facts Preceding My Execution books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Curious Facts Preceding My Execution books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Curious Facts Preceding My Execution versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Curious Facts Preceding My Execution books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether youre a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Curious Facts Preceding My Execution books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are

primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Curious Facts Preceding My Execution books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Curious Facts Preceding My Execution books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Curious Facts Preceding My Execution books and manuals for download and embark on your journey of knowledge?
