Grant Ron Chernow, 2018-09-25 The 1 New York Times bestseller and New York Times Book Review 10 Best Books of 2017 Eminently readable but thick with import *Grant* hits like a Mack truck of knowledge Ta Nehisi Coates The Atlantic Pulitzer Prize winner Ron Chernow returns with a sweeping and dramatic portrait of one of our most compelling generals and presidents Ulysses S Grant Ulysses S Grant's life has typically been misunderstood All too often he is caricatured as a chronic loser and an inept businessman or as the triumphant but brutal Union general of the Civil War But these stereotypes don't come close to

capturing him as Chernow shows in his masterful biography the first to provide a complete understanding of the general and president whose fortunes rose and fell with dizzying speed and frequency Before the Civil War Grant was flailing His business ventures had ended dismally and despite distinguished service in the Mexican War he ended up resigning from the army in disgrace amid recurring accusations of drunkenness But in war Grant began to realize his remarkable potential soaring through the ranks of the Union army prevailing at the battle of Shiloh and in the Vicksburg campaign and ultimately defeating the legendary Confederate general Robert E Lee Along the way Grant endeared himself to President Lincoln and became his most trusted general and the strategic genius of the war effort Grant s military fame translated into a two term presidency but one plagued by corruption scandals involving his closest staff members More important he sought freedom and justice for black Americans working to crush the Ku Klux Klan and earning the admiration of Frederick Douglass who called him the vigilant firm impartial and wise protector of my race After his presidency he was again brought low by a dashing young swindler on Wall Street only to resuscitate his image by working with Mark Twain to publish his memoirs which are recognized as a masterpiece of the genre With lucidity breadth and meticulousness Chernow finds the threads that bind these disparate stories together shedding new light on the man whom Walt Whitman described as nothing heroic and yet the greatest hero Chernow s probing portrait of Grant s lifelong struggle with alcoholism transforms our understanding of the man at the deepest level This is America s greatest biographer bringing movingly to life one of our finest but most underappreciated presidents The definitive biography Grant is a grand synthesis of painstaking research and literary brilliance that makes sense of all sides of Grant s life explaining how this simple Midwesterner could at once be so ordinary and so extraordinary Named one of the best books of the year by Goodreads Amazon The New York Times Newsday BookPage Barnes and Noble Wall Street Journal

Slaying Racial Harassment Myth Introduction

In today's digital age, the availability of Slaying Racial Harassment Myth books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Slaying Racial Harassment Myth books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Slaying Racial Harassment Myth books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Slaying Racial Harassment Myth versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Slaying Racial Harassment Myth books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Slaying Racial Harassment Myth books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Slaying Racial Harassment Myth books and manuals is Open Library. Open Library

is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Slaying Racial Harassment Myth books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Slaying Racial Harassment Myth books and manuals for download and embark on your journey of knowledge?
