Francis J. West, 1967 *Small Unit Action In Vietnam Summer 1966 [Illustrated Edition]* Captain Francis J. West, 2014-08-15
Includes 11 illustrations and 6 maps The Guerilla Warfare in the jungles and paddies of Vietnam was unlike the previous wars that the United States had been involved in for the past hundred years there were no frontlines no rest areas few uniformed enemies and a terrorized population unwilling to help The tactics strategies and experiences that would show the way forward were often developed by the small units squads platoons and outposts who saw the most of the hard fighting in isolated engagements with their elusive enemies To ensure that this valuable resource of knowledge and experience was disseminated to all the men of the Corps the Marine Intelligence department plucked Captain Francis J West Jr and sent him to join the 5th Marines on their day to day engagements patrols and ambushes What he learnt and recorded frequently under fire were the actual experiences of the USMC at the sharp end of the fighting during the Summer of 1966 Aimed at the men of the Corps he wrote of the tense ambushes long range patrols 15 second engagements artillery support airstrikes and even battalion level sweeps through the awful conditions of the war A vivid and visceral account of the struggle of the U S Marines during the summer of 1966 *Small Unit Action in Vietnam, Summer 1966* Francis J. West, Jr., Jr Usmc West, Captain, 2014-06-10 The origin of this publication lies in the continuing program at all levels of command to keep Marines informed of the ways of combat and civic action in Vietnam Not limited in any way to set methods and means this informational effort spreads across a wide variety of projects all aimed at making the lessons learned in Vietnam available to the Marine who is fighting there and the Marine who is soon due to take his turn in combat Recognizing a need to inform the men who are the key to the success of Marine Corps operations the enlisted Marines and junior officers of combat and combat support units the former Assistant Chief of Staff G 3 Major General William R Collins originated a project to provide a timely series of short factual narratives of small unit action stories which would have lessons learned as an integral part Essential to General Collins concept was the fact that the stories would have to be both highly readable and historically accurate The basic requirement called for an author trained in the methodology of research with recent active duty experience at the small unit level in the FMF and a proven ability to write in a style that would ensure wide readership This publication then is based upon first hand eyewitness accounting of the events described It is documented by notes and taped interviews taken in the field and includes lessons learned from the mouths of the Marines who are currently fighting in Vietnam It is published for the information of those men who are serving and who will serve in Vietnam as well as for the use of other interested Americans so that they may better understand the demands of the Vietnam conflict on the individual Marine **The War of Detachments: Lessons in Counterinsurgency Small Unit Actions in Vietnam, 1965-1968 ,**
