Social Behavioral Aspects Of Malaria Control A Study Among The Murut Of Sabah:

Social and Behavioral Aspects of Malaria Control Foong Kin, 2000 Murut: Design and Design Heritage Ismail Ibrahim, Phd, 2019-05-10 Custom culture and habits that have been that were once practiced by the Murut clan are highly valuable heritage assets Hence the author considers it necessary to note and record so that the new generation will be able to know and understand the cultural and artistic heritage of their ancestors Ironically if there is no effort to showcase this treasure there will be no notes nor concrete evidence on this heritage that they can be proud of The demonstration of Murut motifs are closely linked with their everyday lifestyle Life that is dependent on natural resources and located within the vicinity of the highlands makes the Murut clan innovative and skilled in producing creations that are intended for the needs of their daily life This can be seen in the designs on the surface of weavings body decorations carvings hunting signs as well as the decorative styles in attires all these represent features that are characterized by nature has extremely valuable philosophies Apart from the purpose of daily use these motifs are displayed in custom and cultural ceremonies to show their importance in the scope of the life of this community This book not only record and document motifs that are the breaths of life of this community but it also functions as an identification tool and an iconology that highlight the unique culture of the Murut clan Paradoxically these motifs are beginning to lapse in the memory of the younger generation and the efforts of the author in gathering and recording data for over 10 years is timely This book is appropriate as the main reference for students and researchers interested in continuing the study of this community in the future *A World of Water* P. Boomgaard, 2007-01-01 Water in its many guises has always played a powerful role in shaping Southeast Asian histories cultures societies and economies This volume the rewritten results of an international workshop with participants from eight countries contains thirteen essays representing a broad range of approaches to the study of Southeast Asia with water as the central theme As it was exposed to the sea the region was more accessible to outside political economic and cultural influences than many landlocked areas Easy access through sea routes also stimulated trade from an early age However the same easy access made Southeast Asia vulnerable to political control by strong outsiders The sea is moreover a source of food but also of many hazards At the same time Southeast Asian societies and cultures are confronted with and permeated by water from heaven in the form of rain flash floods irrigation water water in rivers brooks and swaps water driven power plants and pumped or piped water in addition to water as a carrier of sewage and pollution Finally the volume deals with the role of water in classification systems beliefs myths illness and healing *Culture and Health* Michael Winkelman, 2008-12-05 Culture and Health offers an overview of different areas of culture and health building on foundations of medical anthropology and health behavior theory It shows how to address the challenges of cross cultural medicine through interdisciplinary cultural ecological models and personal and institutional developmental approaches to cross cultural adaptation and competency The book addresses the perspectives of clinically applied anthropology trans cultural

psychiatry and the medical ecology critical medical anthropology and symbolic paradigms as frameworks for enhanced comprehension of health and the medical encounter Includes cultural case studies applied vignettes and self assessments
