Spreading The News A Guide To Media Reform:

Spreading the News Frank Allaun,1988 *Spreading the News* Frank Allaun,1988 **Television Policies of the Labour Party 1951-2001** Des Freedman,2004-08-02 Des Freedman explores Labour s divided response to the development of commercial television in the 1950s and assesses the impact of Wilson s governments on television in the 1960s His key argument is that Labour has always been a vigorous but ultimately unreliable advocate of television **Spreading the News** ,1909 Journalism Workbook Brendan Hennessy,1995-05-04 Using practical assignments the authors take each area of journalism and demonstrate the world which awaits journalists in the early years of their careers Each of the assignments spins off a number of tasks which are presented to the reader in the form of briefings and can be used as a basis for further study Notes and references are provided with each of the tasks to guide the student and help them understand fully each area of practice There are also exercises on page planning and design Workshop projects and study programmes outline ways in which students and trainees in groups or singly can analyse newspaper content build up readership profiles and consider different methods of practice social and political attitudes to the media press regulations and press economics This book will also be an invaluable purchase for students using distance learning packs Mass Media and Media Policy in Western Europe Peter Humphreys,1996-05-15 This comparative textbook analysis explores how television and press systems across Europe have been shaped by technology economics and politics The author explores the implications of the commercialisation of national broadcasting systems and the media policies of the European Union in the age of transfrontier media operations **Keyguide: Media Ethics** Barrie MacDonald,Michel Petheram,1998-08-13 This guide to information sources in media ethics is divided into three parts Part I is an overview of the literature covering the mass media in general telecommunications broadcasting in all its forms cinema and video the press advertising publishing and ethical issues of the media such as government policy and influence legislation codes of practice censorship representation and reportage issues etc Part II is an annotated bibliography and Part III is an international directory of organizations related to the subject A detailed index completes the work **Resources in Education** ,2000-10 *The New Review of the Low Pay Unit* ,1993

The British National Bibliography Arthur James Wells,1968 *JQ. Journalism Quarterly* ,1989 Includes section Book reviews and other bibliographical material *The Twentieth-century Newspaper Press in Britain* David Linton,1994 This bibliography deals with the 20th century British newspaper press and the individuals concerned with it proprietors journalists and illustrators Its 3500 entries include books theses articles and commemorative issues A chronology and a detailed subject index are included Historical Guide to World Media Freedom Jenifer Whitten-Woodring,Douglas A. Van Belle,2014-05-29 Scholars of international relations and international communications view the extent of media freedom from country to country as a key comparative indicator either by itself or in correlation with other indices of national political and economic development This indicator serves as a bellwether for gauging the health and spread of democracy Historical Guide

to World Media Freedom brings together comprehensive historical data on media freedom since World War II providing consistent and comparable measures of media freedom in all independent countries for the years 1948 to the present The work also includes country by country summaries analyses of historical and regional trends in media freedom and extensive reliability analyses of media freedom measures The book s detailed information helps researchers connect historical measures of media freedom to Freedom House s annual Freedom of the Press survey release enabling them to extend their studies back before the 1980s when Freedom House began compiling global press freedom measures Key Features A to Z country by country summaries of the ebb and flow of media freedom are paired with national media freedom measures over time Introductory chapters discuss such topics as the theoretical premises behind the nature and importance of media freedom historical trends and the challenges of coding for media freedom in a way that ensures consistency for comparison Concluding material covers the historical patterns in media freedom how media freedom tracks with other cross national indicators and more Accessible to students and scholars alike this groundbreaking reference is essential to collections in political science international studies and journalism and communications *Social Media News* Umang Marar,2025-01-03 *Social Media News Trends and Influence* explores the growing role of social media as a major source of information We emphasize the importance of accurate relevant and timely statistics for informed decision making at local national and global levels Our book is designed to help budding journalists master the finer nuances of media writing Social media s unique nature and diverse platforms present challenges in understanding its psychological impact We include a collection of recent studies that focus on the effects of social media news and the framing of social issues Authors of these studies used surveys experiments and content analysis to explore their research questions Each chapter provides valuable insights into the evolving impact of social media information **Social Media Analytics, Strategies and Governance** Hamid Jahankhani,Stefan Kendzierskyj,Reza Montasari,Nishan Chelvachandran,2022-08-18 Social media has spread rapidly on the global stage driving consumers attention and influence both consciously and subconsciously Whilst this type of platform may have been initially designed as a tool for open communication and expression it is also being utilized as a digital tool with widescale use cases The intelligence explosion information overload and disinformation play a significant part regarding individual group and country perceptions The complex nature of this data explosion created an increasing demand and use of artificial intelligence AI and machine learning ML to help provide big insights to big data AI and ML enable the analysis and dissemination of vast amounts of data however the ungoverned pace at which AI and autonomous systems have been deployed has created unforeseen problems Many algorithms and AI systems have been trained on limited or unverified datasets creating inbuilt and unseen biases Where these algorithmic tools have been deployed in high impact systems there are documented occurrences of disastrous decision making and outcomes that have negatively impacted people and communities Little to no work had been conducted in its vulnerability and ability to exploit AI itself So AI and autonomous

systems whilst being a force for societal good could have the potential to create and exacerbate societies greatest challenges This is a cohesive volume that addresses challenging problems and presents a range of innovative approaches and discussion
