Doing Justice in Our Cities Warren R. Copeland, 2009-01-01 Warren Copeland draws from his experience of more than two decades in city politics and addresses head on the issue of Christian ethics in public service Throughout he animates the discussion with numerous anecdotes from his tenure in City Hall combining examples of specific ethical issues in American cities with theological and ethical reflection Then he takes it a step further by including specific suggestions for addressing social injustice in a manner that is true to Christian faith The Centennial Northwest. An Illustrated History of the Northwest, Being a Full and Complete Civil, Political and Military History of this Great Section of the United States, from its Earliest Settlement to the Present Time Charles Richard Tuttle, Ames Castle Pennock, 2024-06-02 Reprint of the original first published in 1876 **An Illustrated History of the State of Indiana** De Witt C. An Illustrated History of the State of Indiana De Witt Clinton Goodrich, Charles Richard Tuttle, 1875 An illustrated history of Southern California Lewis Publishing, **Samuel Shellabarger's Civil War, 1817-1896** William A. Kinnison, 2022-01-26 On Mud Run near the recently abandoned Shawnee Indian village of Pickewe Samuel Shellabarger was born in a log cabin on December 10 1817 It was in the middle of an endless Ohio forest a world away from civilization Indians said a bird could fly from the Ohio River to Lake Erie never having to land on the ground Mud Run was so deep into the forest that it seemed unlikely that anyone lost there could in a single lifetime win national fame and fortune There were clues in Samuel Shellabargers early years that suggest he might surely rise above this wilderness Shellabargers inspiration for a new America was a religious belief that God had created of one blood all the peoples of the earth and all were equal in God's sight whether he or his father wanted it to be so or not The nation he believed for its own sake should embrace equality before the law or dire consequences would result The nation's founders had declared that all men were equal but failed to achieve equality in practice His generation was called upon to correct the mistake But they let the opportunity slip from their grasp and created instead a new America he described as not fit to be Samuel Shellabarger did not become famous though he almost did He became instead a footnote in a forgotten story that the nation should have remembered And America he believed missed the only chance it might ever have to preserve democracy in the nation An Illustrated History of Missouri Walter Bickford Davis, Daniel Steele Durrie, 1876
