military regulations for the news media from the ratification of the Bill of Rights in 1791 through the Gulf War of 1991 He concludes that the armed forces can justify refusal to divulge a narrow range of defense secrets but that imposing other restrictions is unwise unnecessary and unconstitutional In any event as electronic communication becomes almost impossible to constrain soldiers and journalists must learn how to respect each other s obligations in a democratic system **Spies in the Vatican** David J. Alvarez,2002 Ranging across two centuries of world history Alvarez s fascinating study throws open the Vatican s doors to reveal the startling but little known world of espionage in one of the most sacred places on earth
