Routledge Library Editions: Joseph Conrad Various, 2021-09-30 Joseph Conrad 1857-1924 is widely considered one of the great modern writers in English literature. This 21-volume set contains titles originally published between 1976 and 1990 as well as a biography from 1957 written by one of his closest friends. The first 18 books are a set of concordances and indexes to Conrad's printed works which were part of a project directed by Todd K. Bender at the University of Wisconsin-Madison, USA, and are among the first attempts to use the power of computers to enhance our reading environment and assist in lexicography, scholarly editing, and literary analysis. The set also contains a meticulously compiled bibliography of writings on Joseph Conrad as well as an original and powerful analysis of his major work. [Routledge Library Editions: World War II in Asia](#) Timothy Hall, John J. Sbrega, 2021-03-11 The 4 volumes in this set originally published between 1980 and 1983 bring to light and focus on the conflict between Japan and Australia and Japan and the USA. Timothy Hall's volumes are richly illustrated with black and white photographs, used highly contentious documents as their sources, and give fascinating insights into a period of Australian history which is sometimes less than glorious. John J. Sbrega's tour de force is not only one of the most extensive annotated bibliographies on the USA and Japan in World War 2 ever published but it also provides invaluable information on lesser-known but no less important aspects of the conflict. [Routledge Library Editions: Science Fiction](#) Various, 2022-07-30 This set of three previously out of print volumes collects together in one place key areas of research into the genre of science fiction. It critically examines science fiction, establishing its common themes and definitions and comprehensively assesses the sci-fi world in its entirety. [Routledge Library Editions: Cultural Studies](#) Various Authors, 2021-05-13 This seven-volume set reissues a collection of out of print titles covering a range of responses to modern culture. They include in-depth analyses of US and Australian popular culture works on the media and television, macrosociology, and the media and otherness. Taken together, they provide stimulating and thought-provoking debate on a wide range of topics central to many of today's cultural controversies. **Routledge Library Editions: Study of Shakespeare** Various, 2021-11-01 This 14-volume set contains titles originally published between 1926 and 1992. An eclectic mix, this collection examines Shakespeare's work from a number of different perspectives, looking at history, language, performance, and more. It includes references to many of his plays as well as his sonnets. **A Brief History of the Spy** Paul Simpson, 2013-01-17 From the end of the Second World War to the present day, the world has changed immeasurably. The art of spying has changed too, as spies have reacted to changing threats. Here you will find the fascinating stories of real-life spies, both famous and obscure, from either side of the Iron Curtain, along with previously secret details of War on Terror operations. Detailed stories of individual spies are set in the context of the development of the major espionage agencies, interspersed with anecdotes of gadgets, trickery, honeytraps, and assassinations worthy of any fictional spy. A closing section examines the developing New Cold War as Russia and the West confront each other once again. **Routledge Library Editions:**

Curriculum Various,2021-07-09 Reissuing works originally published between 1971 and 1994 this collection includes books which offer a broad spectrum of views on curriculum both within individual schools and the wider issues around curriculum development reform and implementation Some cover the debate surrounding the establishment of the national curriculum in the UK while others are a more international in scope Many of these books go beyond theory to discuss practical issues of real curriculum changes at primary or secondary level The Set includes books on cross curricular topics such as citizenship and environment and also guidance careers life skills and pastoral care in schools A fantastic collection of education history with much still relevant today Routledge Library Editions: Victorian Poetry Various Authors,2021-02-25 This set reissues

4 books on Victorian poetry originally published between 1966 and 2003 The volumes focus predominantly on the works of Emily Dickinson Elizabeth Barrett and Robert Browning This set will be of particular interest to students of English literature

Routledge Library Editions: Historical Security Various,2021-08-26 This 12 volume set contains titles originally published between 1957 and 1992 International in scope the set looks at security and military history covering several battles particularly the first and second world wars Highlighting the difference between theory and practice it also explores the people involved in the policy making and strategy of war and the leaders tasked with carrying those decisions out

Routledge Library Editions: Industrial Revolution Various Authors,2021-03-11 The volumes in this set originally published between 1967 and 1997 draw together research by leading academics in the area of the industrial revolution and provides an examination of related key issues The volumes examine urban workers and the working class in the eighteenth and nineteenth centuries economic growth during the industrial revolution and the causes of the industrial revolution with a primary focus on England This set will be of particular interest to students of history business and economics
