Squared Circle:

The Squared Circle Morgan Delaney, 2023-03-01 Who'll protect a sleepy English village from a terrifying werewolf when those who could don't believe in it? When the silver screen comes to Hawkinge By Hythe it unleashes a ravenous werewolf on the town. Ordinarily the scientific Alumni sisters would jump at the chance to get their teeth into a really good werewolf. But the three identical pork pie hatted Alumni res are sick of being called witches and refuse to touch it. Handsome young entrepreneur Lorry Tassel would love to ignore the werewolf but keeps bumping into it while visiting flame haired beauty Ruth Leeds. And he can't shake his suspicion that the beast shares his taste for redheads. Then there's the mystery of the town's statues sneaking about on some mission of their own whenever people aren't looking. With torch bearing vigilantes patrolling the streets, black hooded figures in the graveyard, a werewolf stalking the woods and statues popping out at people everywhere, events force the Alumni res into reluctant action. Can there really be a perfectly rational explanation for this much mayhem?

The Squared Circle David Shoemaker, 2014-11-04 A breakthrough examination of the professional wrestling its history its fans and its wider cultural impact. *The Squared Circle* grows out of David Shoemaker's writing for Deadspin where he started the column Dead Wrestler of the Week which boasts more than 1 million page views a feature on the many wrestling superstars who died too young because of the abuse they subject their bodies to and his writing for Grantland where he covers the pro wrestling world and its place in the pop culture mainstream. Shoemaker's sportswriting has since struck a nerve with generations of wrestling fans who like him grew up worshipping a sport often derided as fake in the wider culture. To them these professional wrestling superstars are not just heroes but an emotional outlet and the lens through which they learned to see the world. Starting in the early 1900s and exploring the path of pro wrestling in America through the present day *The Squared Circle* is the first book to acknowledge both the sport's broader significance and wrestling fans' keen intellect and sense of irony. Divided into eras each section offers a snapshot of the wrestling world profiles some of the period's preeminent wrestlers and the sport's influence on our broader culture. Through the brawling bombast and bloodletting Shoemaker argues that pro wrestling can teach us about the nature of performance audience and yes art. Full of unknown history humor and self-deprecating reminiscence but also offering a compelling look at the sport's rightful place in pop culture *The Squared Circle* is the book that legions of wrestling fans have been waiting for. In it Shoemaker teaches us to look
