

A photograph of a grey squirrel with a bushy tail perched on the edge of a clear glass window box. The box is filled with numerous coins, likely pennies, which are visible through the glass. The window box is mounted on a wooden post and is surrounded by green foliage and a red-leafed shrub in the background. A semi-transparent dark banner is overlaid across the middle of the image, containing the title text.

Squirrels At My Window:

Squirrels at My Window Grace Marmor Spruch, 2000 Even for a woman as sensitive to wild animals as Grace Spruch the arrival of a squirrel inside her Greenwich Village apartment one morning came as something of a surprise She had always loved the squirrels she saw in Washington Square Park but she never met one so forward as the one climbing up her rubber plant Dr Spruch didn't know it then but this was the beginning of a strange and wonderful relationship Gradually other squirrels began to climb the fire escape to the Spruchs fifth story window All were welcomed with certain restrictions of course There were regular office hours and the squirrels soon learned not to scratch at the window until given the signal stirring within the apartment Some were bold about walking right into the house examining the Spruchs possessions and burying their nuts under pillows One categorically refused to leave at closing time even when rudely chased Others more retiring were content to munch nuts and fruits on the windowsill Since Spruch is a scientist as well as an animal lover her observations gain a special force and precision and she manages to achieve the best kind of popular science writing scientifically sound carefully observed intellectually challenging Despite our familiarity with squirrels as part of the urban landscape surprisingly little is known about the habits of these creatures and Spruch is able to make some interesting contributions to this subject But most of all this is a book for animal lovers a loving yet unsentimental account of a fascinating episode in the natural history of a large city

Nuts About Squirrels Don H. Corrigan, 2019-02-28 Squirrels have made numerous appearances in mass media over the years from Beatrix Potter's Nutkin and Timmy Tiptoes to Rocky the flying squirrel of *The Adventures of Rocky and Bullwinkle* and to Conker and Squirrel Girl of video game fame This book examines how squirrel legends from centuries ago have found new life through contemporary popular culture with a focus on the various portrayals of these wily creatures in books newspapers television movies public relations advertising and video games

Outwitting Squirrels Bill Adler, 2014-04-01 Bird loving Americans share a common problem squirrels These fast greedy incredibly crafty fluffy tailed rodents pillage birdfeeders before owners very eyes For 25 years *Outwitting Squirrels* has been leading the charge to help bird lovers defend their feeders This classic defense manual for the besieged birder has been fully updated to deal with the more tech savvy twenty first century squirrel It provides 101 cunning strategies both serious and hilarious for outsmarting these furry but not so cute creatures Adler discusses the different bird personalities and the best seed to attract them He rates birdfeeders based upon how squirrel proof or squirrel vexing they are and discusses creative antisquirrel structures and devices Spooker poles Perrier bottles baffled fishing line Teflon spray Vaseline water bombs cayenne pepper and Nixalite the author has tried them all and here he regales intrepid bird feeders with his squirrel thwarting adventures and misadventures

Orphans through My Window Thomas Kent, 2021-04-12 Some stories have to be told It took these

unique characters to bring such a tale to life Spencer Helms and a squirrel named Dell develop a magical telepathic way of communicating Spencer an only child was born with a malady which caused him to be unable to speak As a result of Spencer's problem his parents decided to school him at home Along the way Spencer discovers he has a natural talent as a sketch artist This will prove to have profound consequences The story takes place between the politically turbulent years of 1962 and 1963 Together Spencer and Dell's world is filled with the unexpected life experiences of their neighbors as well as the dramatic events occurring historically some of which are very disturbing Although this is not a children's book readers from teens to grandparents will be taken in by the story's compelling dramatic events This novel is a must read for the detective in all of us If you enjoy a good mystery with a surprise ending this book is for you **Squirrel Inc.** Stephen

Denning,2004-05-12 Take a satirical scamper through organizational life in the midst of changing times brought to you by master storyteller and former World Bank executive Steve Denning With wisdom and a healthy dose of wit Denning introduces a cast of furry characters who together learn the fine art of change through storytelling in their quest to overcome obstacles generate enthusiasm and teamwork share knowledge and ultimately lead their company into a new era of success and significance Through the stories of Squirrel Inc readers will learn that the ability to tell the right story at the right time can determine the outcome of any major change effort In each chapter Denning's squirrels learn to use storytelling to address leadership challenges How to bring about change How to communicate who you are How to transmit values How to foster collaboration How to stop rumors How to share knowledge How to lead your organization into the future **Emotions**

Robert C. Roberts,2003-03-13 Life on a day to day basis is a sequence of emotional states hope disappointment irritation anger affection envy pride embarrassment joy sadness and many more We know intuitively that these states express deep things about our character and our view of the world But what are emotions and why are they so important to us In one of the most extensive investigations of the emotions ever published Robert Roberts develops a novel conception of what emotions are and then applies it to a large range of types of emotion and related phenomena In so doing he lays the foundations for a deeper understanding of our evaluative judgments our actions our personal relationships and our fundamental well being Aimed principally at philosophers and psychologists this book will certainly be accessible to readers in other disciplines such as religion and anthropology **Little Jack Rabbit and the Squirrel Brothers** David
