

Lesson 3- FTC 1 – General Domains of Teaching Competence

Introduction

In this chapter is the result of research in teacher education and observation of different teachers in various levels of the country. It also includes activities that will encourage pre-service teachers to examine and reflect on the activities done in classroom, in school, and in society.

The teaching profession is a dynamic field that requires teachers to excel in different domains.

A. Educational Foundations

Teachers should have solid understanding of educational foundations – subjects and disciplines that have important contributions to your understanding of education as a field of study and educational processes. These subjects and disciplines are as follows:

Clinical Methods and Practicum in Speech-Language Pathology, Seventh Edition M.N. Hegde, 2023-11-29 With major content updates and enhanced supporting online materials the seventh edition of Clinical

Methods and Practicum in Speech Language Pathology remains an essential resource for students in speech language pathology who are about to begin their clinical practicum. The text is a comprehensive source of information that will help establish clear expectations for both student clinicians and clinical supervisors. It is hoped that students who read this book prior to starting their clinical practicum will be better prepared to meet the exciting and yet often challenging task of providing ethical and effective services to children and adults with communication disorders. Readers will gain an understanding of the structure of different clinical practicum sites, principles of ethical practices, conduct behavior and competencies expected of them, justifiable expectations of their clinical supervisors, and the many fundamental principles of assessment and intervention across most disorders of communication. The book is divided into two sections: clinical practicum and clinical methods in speech language pathology. These sections provide coverage of the structural and functional aspects of clinical practicum in a variety of settings. The author emphasizes that clinical practicum is an exciting learning experience. The students will understand what is expected of them in each setting and what they can expect from their clinical supervisors. An overview of treatment methods that apply across disorders is also included. New to the Seventh Edition: Two new chapters: Chapter 5 on assessment which includes a sample assessment report; Chapter 6 on clinical reports, treatment plans, and data documentation. The clinical methods sections include new and expanded information on assessment, target behaviors, and treatment strategies for all disorders of communication. The section on clinical practicum in public schools has been expanded to reflect the current guidelines and practices. Infused multicultural issues into all relevant chapters and consequently eliminated a separate chapter on the topic. Updated information on ASHA's new or current requirements and guidelines for clinical practicum and certification in speech language pathology. Expanded and updated ASHA guidelines on telepractice. Summary of ASHA's latest position on the qualifications of clinical supervisors. Information on the qualifications and scope of practice of speech language pathology assistants in various settings. Added chapter summary questions so students can assess their understanding of the material. Key Features: Outlines open each chapter and provide a summary of the key topics. A comprehensive glossary allows readers to easily find and define important terms or concepts. Bulleted and boxed information for easy access. Disclaimer: Please note that ancillary content such as printable forms and reports are not included as in the original print version of this work.

Professional Issues in Speech-Language Pathology and Audiology, Sixth Edition Melanie W. Hudson, Mark DeRuiter, 2023-10-06

This sixth edition of *Professional Issues in Speech-Language Pathology and Audiology* is intended to be a primary text for students in speech language pathology and audiology as well as a resource for practitioners providing a comprehensive introduction to contemporary issues that affect these professions and service delivery across settings. It aims to provide a better understanding that day to day clinical work as well as personal professional growth and development are influenced by political, social, educational, health care, and economic concerns. By instilling a big picture view of the profession, future clinicians will be more prepared to make informed decisions as they provide services, engage in advocacy efforts, and plan their careers as audiologists or speech language pathologists. The book is divided into four major sections: Overview of the Professions, Employment Issues, Setting Specific Issues, and Working Productively. The information presented in each section provides the reader with a better understanding and a new perspective on how professional issues have been affected by both internal and external influences in recent years, including technological advances, demographic shifts, globalization, and economic factors. Chapter authors are recognized subject matter experts providing a blend of both foundational and cutting edge information in areas such as evidence based practice, ethics, job searching, and employment issues, interprofessional practice, service delivery in health care and education, technology, cultural competence, supervision, and leadership. Students reading this book will appreciate how the professions have evolved over time while acquiring a sense of where they are right now as they prepare to enter the professional world. Each of the topics covered in the book will continue to play important roles in the future of speech language pathology and audiology, providing early career professionals with the requisite knowledge to achieve success in any setting.

New to the Sixth Edition:

- New information on issues related to the COVID 19 pandemic.
- Coverage of recent changes in technology.
- Updates to ASHA certification requirements, the Assistants certification program, and the 2023 ASHA Code of Ethics.
- New contributors: Nicole E Corbin, Sandra Liang, Gillam, Erin E G Lundblom, Christine T Matthews, Shari Robertson, Rachel A Ritter, and Jennifer P Taylor.

Updated list of acronyms used in the book.

Key Features: Chapters authored by recognized experts in communication sciences and disorders. Each chapter begins with an introduction and ends with a summary of key areas. Critical Thinking questions for each chapter accessible online. Case studies related to child and elder abuse. Case studies related to advocacy. Please note that ancillary content such as documents, audio, and video etc may not be included as published in the original print version of this book.
