Teaching College Success The Complete Resource Guide:

Teaching College Success Constance C. Staley, 1998-10-01 In this workshop in a box you will find everything you need to create your own tailored training program for college success instructors. It is an economical way to do your training right on campus. This guide provides both the tools and techniques for instructors, administrators, and trainers seeking to develop more successful college success programs. Designed as a stand-alone resource or as a reference, this training package focuses on faculty development and common issues related to teaching the freshman seminar across institutions. Included in the comprehensive Resource Guide is a complete set of training modules with handouts, teaching agendas, exercises, and transparency masters. In addition, material in the Resource Guide is provided electronically via PowerPoint presentation files, allowing instructors and trainers learning from this package to share the information more effectively and to train more faculty in an economic, flexible way.
