Gender Based Violence in University Communities Anitha, Sundari, Lewis, Ruth, 2018-06-27 Until recently higher education in the UK has largely failed to recognise gender based violence GBV on campus but following the UK government task force set up in 2015 universities are becoming more aware of the issue And recent cases in the media about the sexualised abuse of power in institutions such as universities Parliament and Hollywood highlight the prevalence and damaging impact of GBV In this book academics and practitioners provide the first in depth overview of research and practice in GBV in universities They set out the international context of ideologies politics and institutional structures that underlie responses to GBV in elsewhere in Europe in the US and in Australia and consider the implications of implementing related policy and practice Presenting examples of innovative British approaches to engagement with the issue the book also considers UK EU and UN legislation to give an international perspective making it of direct use to discussions of what works in preventing GBV

Critical Commentary on Institutional Ethnography Paul C. Luken, Suzanne Vaughan, 2023-07-01 This edited volume gathers top scholars from across disciplines generations and countries to provide constructive commentary on the theory methods and practices of institutional ethnography These contributions explore themes of relevance to institutional ethnographers that are both enduring and newly emerging how institutional ethnographers can take an expanded view of social institutions how they might explore the dynamics of ruling relations over time what results from

understanding experience as dialogue including internal or in skull dialogue the significance of standpoint and the opportunities for institutional ethnographers to move beyond texts as they discover and describe social relations A key aspect of Critical Commentary on Institutional Ethnography and one that distinguishes it from others is the forward looking orientation of the authors This perspective allows them to establish bridges between the institutional ethnography that has been developed heretofore and the potential that is looming for such a mode of inquiry into the social As such the book is both informative and inspirational
