Teaching Without Tears:

Teaching Without Tears Jenny Gray, 1968 **Discipline Without Tears** Rudolf Dreikurs, Pearl Cassel, Eva Dreikurs Ferguson, 2004-07-21 DISCIPLINE WITHOUT TEARS How To Reduce Conflict and Establish Cooperation in the Classroom Discipline without Tears is a modern classic within the teaching profession The original edition was written by Pearl Cassel and Rudolf Dreikurs First published in 1971 by arrangement with the Alfred Adler Institute it has been a teacher s best friend and became an international bestseller with translations into French Italian Greek German Dutch Japanese and Chinese The focus of the book is to show the elementary school teacher how to manage a classroom of children effectively by understanding the nature of their behavior The book is prescriptive and challenges teachers to analyze their teaching style and become more effective at discipline in the classroom With the co authorship of Dr Eva Dreikurs Ferguson the book has been updated and revised to reflect current trends in education Schools have put more emphasis on teachers knowing how to resolve issues of discipline within their classroom and teachers will appreciate the clear and concise presentation of material that will lead to more effective learning time and a more pleasant teaching environment Parents will also find this book most helpful for the family dynamic *Evaluation without Tears* Selma Wassermann, 2020-01-15 Teachers evaluate students work constantly It is a built in part of the job of teaching Yet what is hardly acknowledged is the subjectivity and unfairness of evaluation Although grades and marks have long been discounted as having any reliability or validity they endure as real and exact measures of ability and performance Not only are they specious they have little or nothing to do with the important goal of evaluation that is to provide feedback to learners that enables their subsequent growth Evaluation Without Tears provides teachers with specific examples of how they might provide evaluative feedback to students that is enabling and affirming rather than punishing respectful of the learner and protective of the learner s dignity recognizing that one person s judgment is not truth Teaching students to self assess an important dimension of growth and maturity is a significant feature of the book **The Well-Trained Mind** Susan Wise Bauer, Jessie Wise, 2009-05-04 Outstanding should be on every home educator s reference bookshelf Homeschooling Today This educational bestseller has dominated its field for the last decade sparking a homeschooling movement that has only continued to grow It will instruct you step by step on how to give your child an academically rigorous comprehensive education from preschool through high school Two veteran home educators outline the classical pattern of education the trivium which organizes learning around the maturing capacity of the child s mind With this model you will be able to instruct your child in all levels of reading writing history geography mathematics science foreign languages rhetoric logic art and music regardless of your own aptitude in those subjects Newly revised and updated The Well Trained Mind includes detailed book lists with complete ordering information up to date listings of resources publications and Internet links and useful contact information Plane geometry, adapted to heuristic methods of teaching Tom Petch, 1903 **Handwriting Without Tears** Jan Z. Olsen, 2018 An instructional method for teaching cursive

handwriting that is effective for children Resources in Education ,1999 *Huber and Headrick's Handwriting Identification* Heidi H. Harralson, Larry S. Miller, 2017-12-14 Forensic document examination is the study of physical evidence and physical evidence cannot lie Only its interpretation can err Only the failure to find it or to hear its true testimony can deprive it of its value Roy Huber This is a comprehensive update of Huber and Headrick's seminal work on handwriting examination New coverage includes a review of forensic handwriting examination research handwriting analysis training and proficiency revised methods and procedures an updated listing and clarification of terminology and electronic signatures the analysis of digitized handwriting and other related technological advances The book includes updated photographs several added illustrations and advances in techniques based on the scientific research conducted in the area over the last 20 years Features of the new edition include The latest on electronic signatures digital handwriting automated handwriting verification and the many advances in technology and research over the last two decades An overview of the fundamentals of handwriting examination with updated discussion of the intrinsic and extrinsic variables associated with handwriting identification A review of the criticism of handwriting expert opinions and methodology addressing both the strengths and scientific limitations of the area Fully revised while remaining true to the spirit and approach of original authors Roy Huber and A M Headrick Addition of nearly 200 new references and new glossary terms representing advances in research and methods With extensive photographs to help clearly illustrate concepts Huber and Headrick's *Handwriting Identification Facts and Fundamentals Second Edition* serves as an invaluable reference to law libraries practicing document examiners forensic and criminal justice students and every lawyer handling cases in which the authenticity of handwriting and documents might be disputed **Teaching Philosophy** Tziporah Kasachkoff, 2004 The difference in the practical approach to teaching philosophy can mean the difference between an engaging class and an excruciating one In this expanded edition of *In the Socratic Tradition* 1997 Kasachkoff adds new sections on teaching philosophy with computers teaching philosophical explanation and teaching philosophy of gender Chapters in the collection share the pedagogical insights of more than two dozen distinguished philosophers offering practical suggestions on such issues as how to motivate students construct syllabi and creative examinations for specific courses and teach complex philosophical concepts Like its predecessor *Teaching Philosophy* will be an indispensable resource for teachers of all levels and fields of philosophy and will be particularly helpful in lending inspiration to graduate students and professors called upon to teach courses outside of their specialty areas Access to Learning for Pupils with Disabilities John Cornwall, 2013-10-28 First published in 1997 It is the intention of this book to provide a stimulus to further thought and investigation of the many possibilities and opportunities available for teaching pupils and students with physical disabilities and medical conditions *The Principles and Practice of Teaching and Class Management* Joseph Landon, 1899 Language Teaching Through the Ages Garon Wheeler, 2013 Konrad Koerner a leading historian of linguistics has long said that an academic field cannot be considered to have matured until it

has history as one of its subfields The history of linguistics is a growing area having come into its own in the 1960s especially after Noam Chomsky looked for historical roots for his work In contrast the history of language teaching has been neglected reflecting the insecurity and youth of the field Most works on the subject have been written by linguists for other linguists and typically focus on a specific period or aspect of history This volume concentrates on the basic issues events and threads of the history of the field from Mesopotamia to the present showing how a knowledge of this history can inform the practice of language teaching in the present Tropical Agriculturist and Magazine of the Ceylon Agricultural Society ,1893
