The Political and Social Significance of the Life and Teachings of Jesus Jeremiah Whipple Jenks,1906 *The Method and Message of Jesus' Teachings* Robert H.

Stein,1994-01-01 This useful and practical book provides the college student seminarian church study group and interested lay person with a much needed introductory guide on the how method and the what message of Jesus teachings In this revised edition Robert Stein updates his classic work adds a new bibliography and introduces use of the New Revised Standard Version of the Bible bringing this important text to a new generation of students *The Six Foundation Teachings Of Jesus Christ* John Lemmon,2019-09-19 How many Christians come to Christ and never get the foundational teachings of Jesus Christ Too many And like the foundations of a house this should happen right at the beginning of the process Is it any wonder many struggle to stand when their feet are planted on the spiritual sands of rhetoric and emotion When businesses and governments find things are becoming too complex what do they say Usually they say they need to get back to basics The basics are the key principles that sit beneath all human endeavors and they must be solidly grounded or else the business enterprise and even governments will struggle and fall apart You cannot build a house unless there is a solid foundation Likewise you cannot build a Christian unless the spiritual foundations are strong How many Christians suffer How many fall down or fall away How many struggle with their faith especially in the early years when their faith is put to the test Again too many And most of them suffer because their foundations are not strong enough to withstand the storms of life The Six Foundations This book aims to address this lack First it identifies what the Bible defines as the six foundations of Jesus Christ not what some preachers wrongly state And second this book provides insights from the Bible on how to use and build on these foundations The Lord Jesus said to the Apostles that He would give them the keys to the kingdom of heaven These six foundations form the basis of those keys When these foundations are in place and working effectively a Christian can withstand any storm or opposition that comes against them Today as we walk with Jesus Christ we need to get back to basics These six foundations are the basic teachings all Christians must learn understand and hold fast as they walk in this world
