Team Leadership In Christian Ministry Using Multiple Gifts To Build A Unified Vision:

Team Leadership In Christian Ministry Kenneth O. Gangel, 1997-01-05 Team leadership is the exercise of one's spiritual gifts under the call of God to serve a certain group of people in achieving the goals God has given them toward the end of glorifying Christ. How is your church or organization governed? Does it have an authoritarian top-down administration? Is the ministry vision developed by a few top officials with little input from staff or volunteers? Today the definition of an effective leader has changed. No longer does the model leader manage like the Lone Ranger either do it his way or no way. Today the model leader shares responsibility with fellow team leaders and seeks to serve them. In this complete revision of his earlier work *Building Leaders for Church Education* Dr. Gangel carefully lays a biblical foundation for the team leadership model. This leadership is not dogmatic control or personality worship. It has no room for political power plays. Instead it is Paul gently nurturing young Christians in his epistles. It is Barnabas willingly thrusting others into situations where they develop their own gifts. It is Christ choosing not one but twelve men to carry on His ministry. It is servant leadership. With examples, illustrations, and suggestions for further reading at the end of each chapter, Dr. Gangel prods and encourages the reader to move beyond the safety net of autocratic leadership into the rewarding, effective practice of leading with and through others.

The Pastor's Library Robert A. Yost, 2017-09-21 In the spirit of Cyril Barber's classic work from the 1970s *The Minister's Library*, Robert Yost provides students and pastors with expert guidance on building a working ministerial library. From Old and New Testament languages, lexical aids, and grammatical tools to commentaries and theologies, as well as pastoral resources, Yost is a trustworthy guide through the multiplicity of books that seem to just keep rolling off the presses. Far more than just a guide to commentaries, as are so many works today, this resource is a balanced pastoral tool for pastors and students who are overwhelmed by the proliferation of literature in the fields of biblical and pastoral studies. [Worldviews and Christian Education](#) W. Shipton, E. Coetzee & R. Takeuchi, 2014-04 In *Worldviews and Christian Education*, editors W. A. Shipton, E. Coetzee, and R. Takeuchi have brought together works by experts in cross-cultural religious education. The authors and editors have a wealth of personal experience in presenting the gospel to individuals with various worldviews that differ greatly from those held by Christians who take the Bible as authoritative. They focus on the beliefs and issues associated with witnessing to seekers for truth coming from backgrounds as diverse as animism, Buddhism, Confucianism, Hinduism, Islam, Marxism, Taoism, and postmodernism. I'm Being Followed** Clinton A. Valley, 2008 What would happen if Christian leaders decided that good enough is no longer good enough? G. Choong, 2011-06-03 In Counter Cultural Paradigmatic Leadership Gary Choong challenges the reader to consider the mind set motive and manner of leadership in any Asian setting that is suffused with contemporary practices of paternalistic authority It provides a counter cultural paradigm shift for the Christian leader who desires to honor God with mind and heart based on a biblical moral foundation and to lead with character biblical core values and a commitment to further the cause of Christ The counter cultural paradigms and practices of integrity humility and empowerment address the ills of contemporary paternalistic authority such as didactic leadership guarding and building of reputation protection of dominance autocratic control nepotism cronyism ambivalence lack of accountability overstaying one s effectiveness and underestimating one s subordinates This counter cultural paradigmatic Christian leadership deals first with the Christian leader s character and spiritual formation over a lifetime second it seeks to influence and impact team members toward biblical coherence and congruence in discipleship team ministry and leadership

The Persuasive Preacher David A. Christensen,2020-07-16 How can we preach persuasively without huckstering manipulating or coercing people Sadly we are seeing the fall of many pastors not for reasons of sexual immorality but the pursuit of pride and power The skillful use of marketing methods creates celebrity pastors who become significant influencers in the evangelical church The lure of success is seductive turning pastors into hucksters and Christians into consumers We need to heed the warnings of the New Testament about the pride of rhetoric and the pursuit of power David Christensen carefully analyzes the biblical warnings of Paul about the temptations of rhetorical sophistry in the first century church and applies them to pastoral ministry today God calls preachers to be ethical and effective persuaders David develops an ethical grid for pastoral persuasion using principles drawn from the Bible and social science along with practical illustrations from his years of ministry He calls preachers to be ethical and effective persuaders by emphasizing the centrality of the word of God while depending on the power of the Spirit of God **Global Perspectives on Mentoring** Frances K.

circunstâncias adversas podem levar os líderes a atingir os objetivos e a cumprir as diretrizes estabelecidas de formas variadas. No entanto, algo que jamais deve mudar ou diferir é o comprometimento dos líderes cristãos em sempre seguir a liderança de Deus em vez das tendências humanas e das abordagens comumente aceitas. Aqui está a grande diferença entre o verdadeiro líder cristão e o líder secular. Clinton resumiu muito bem essa ideia ao dizer: O padrão de sucesso portanto não é o aplauso ensurdecedor da multidão, mas a fidelidade em cumprir a vontade de Deus. Pode ser que nem todos concordem ou se sintam confortáveis com cada aspecto dos modelos de liderança de Clinton Valley, mas isso não é relevante. O mais importante perceber o valor que o autor atribui: busca constante de novas maneiras de servir ao Senhor de forma eficaz através da verdadeira liderança servil: uma liderança que reflete a abordagem espiritual e humilde de Cristo ao motivar e liderar a Sua igreja para cumprir a missão. Clinton afirma: Liderança cristã é liderança do serviço. Resume-se em negar a si mesmo para servir ao próximo, não em persuadir ou induzir os outros a servi-lo e a satisfazer seus interesses. Ao ler este livro, com o coração inspirado a se tornar um líder espiritual mais visionário e digno de confiança, sentir o desejo de comunicar com mais eficácia e entusiasmo os objetivos espirituais do nosso grande movimento adventista. Para apoiar a descrição do papel do líder cristão, servidor do século 21, o autor utilizou referências bíblicas, textos do Espírito de Profecia, conselhos de adventistas do sétimo dia, bem conhecidos, como também de outros líderes religiosos e sua própria experiência como pastor e líder cristão. A abordagem, bem humorada e prática do autor, o incentivar a se submeter diariamente, orientação do Líder Supremo, o próprio Jesus Cristo. Como líderes cristãos, não devemos perder a esperança ao nos prepararmos para enfrentar os desafios diante de nós. Devemos nos apegar ainda mais aos princípios fundamentais apresentados na Palavra de Deus. Não hesite, não perca de vista Cristo e o Seu poder. Não diminua a influência no destino profético do movimento adventista. Deus está chamando líderes que possuam uma habilidade incomum: a habilidade de depender dEle para tudo e de levar o povo de Deus aos pés de Cristo, preparando-o para a Sua breve volta. Esse é o nosso chamado.
