Bold New Venture Ira J.. Singer, David W.. Beggs, Robert M.. Finley, Harold Spears, 1964 Team Teaching Francis J. Buckley, 1999-10-11 Team teaching a pedagogical technique that shifts the role of instruction from the individual to a team provides students with the opportunity to take a more active role in learning Author Francis J Buckley explains how and why team teaching works and provides a comprehensive review of research material with practical applications The book covers the nature purpose types history and evaluation of team teaching as well as the resources needed and the roles of teachers students and administrators The author compares this teaching approach with traditional methods seeking to strengthen its appeal to initiates Team Teaching What Why and How is the fruit of 30 years of team teaching in graduate school religious education sociology psychology and elementary school TEACHING OF SOCIAL STUDIES S. K. MANGAL, UMA MANGAL, 2008-08-25 Written in an easy to understand style this text provides a thorough coverage of the essential topics related to the teaching of social studies in secondary and elementary schools Reflecting on the theoretical knowledge and practical skills required to teach social studies in an effective manner the text first introduces its readers to the various components study material scope and importance of social studies It then teaches the formulation of instructional objectives in social studies and brings out the principles of social studies curriculum as well as its relationship with other subjects of the school curriculum The book focuses mainly on improving the methodological concepts of the social studies teacher and in doing so discusses various methods of teaching evaluation and planning of lessons units and courses organization of social studies room and the equipment to be kept in it utilization of community resources and implementation of various co curricular activities It also examines certain innovative methods of teaching such as team teaching micro teaching and individualized instruction KEY FEATURES Incorporates chapter outline at the beginning and chapter summary at the end of each chapter to help readers review the important topics Provides chapter end questions for students to drill the topics discussed Discusses various topics with the help of a number of figures and tables that facilitates easy understanding of the concepts This book is suitable for a course on Teaching of Social Studies for the students of B Ed and M A Education It can also be used for the in service teacher education programmes organized by the Central and State education boards Schooling and Work in the Democratic State Martin Carnoy, Henry Levin, 1985-06-01 A new explanation of the relation between schooling and work in the democratic advanced industrial state emerges from this study that rejects both traditional views and the more recent Marxian perspective Traditional views consider schools as autonomous institutions that are able to pursue the goals of equality and social mobility irrespective of the inequalities of capitalist society the Marxian perspective views schools as serving the role

of producing wage labor for capitalistic exploitation The authors suggest that the shortcomings of both views are rooted in the fact that they do not recognize the true functions of the democratic capitalist state The state is seen as an arena for struggle between forces pushing for egalitarian democratic reforms and those seeking to use the resources of the state for private capital accumulation Depending on which side has primacy at the moment schools will reflect one set of goals over the other However victory is never complete and the tide of battle has shifted back and forth historically The authors develop this theory through interpreting the dynamic relation between U S schools and the workplace Based on this approach they predict changes in both schooling and work as well as the forms that future conflicts between the contending forces are likely to take
