Team Building in Church Groups Nancy Geyer, Shirley Noll, 1970 **Building a Life-Changing Small Group Ministry** Bill Donahue, Russ G. Robinson, 2012-04-03 Like nothing else small groups have the power to change lives They are the ideal route to discipleship a place where the rubber of biblical truth meets the road of human relationships However church leaders often feel at a loss when it comes to assessing the strengths and weaknesses of group life in a church and they struggle with understanding and solving the root causes of problems Group Life resources provide in ebook format the practical tools and training resources needed to develop life changing small group leaders coaches to shepherd group leaders and ultimately a thriving church wide small group ministry These resources include the updated and revised versions of the best selling Leading Life Changing Small Groups and Coaching Life Changing Small Group Leaders the new Building a Life Changing Small Group Ministry and the supplemental Group Life Training DVD Appropriate for individual or group study the books function as manuals and workbooks that teach and allow readers to process and record information as they learn Downloadable web based vision clips and supplemental videos in the DVD help readers explore and discuss topics further Group Life Resources conveniently integrate with the ReGroup™ curriculum giving trainers the option to use them together Bill Donahue and Russ Robinson s Building a Life Changing Small Group Ministry presents a broad introduction for pastors and point leaders to use as they navigate through the process of establishing and developing independent groups or a church wide ministry of small groups **The Seven Deadly Sins of Small Group Ministry** Bill Donahue, Russ Robinson, 2002 A troubleshooting guide for Church leaders Assessment and solution for seven common obstacles to building small groups **100 Awesome Icebreakers** Patty Hupfer Riedel, 2011-09-01 Who wants to go first How often does this question cause people to scoot lower in their chairs or duck behind pillars Avoid causing panic by opening with a game a challenge or an exercise that sparks discussion 100 Awesome Icebreakers is filled with fun ways to help young people get to know one another become comfortable in their groups and form a unit with a common goal You ll see barriers relax friendships blossom and active learning begin **Coaching Life-Changing Small Group Leaders** Bill Donahue, Greg Bowman, 2009-05-26 Small groups transform churches and lives Small group leaders often feel the weight of shepherding their members But who shepherds the shepherd And what are the best ways to provide that support and guidance These are the questions answered in Coaching Life Changing Small Group Leaders When you re called to coach a small group leader in your church your mind may be filled with questions Am I godly enough What do I have to offer How do I begin Although the challenge seems immense this handbook breaks down the work into reassuring and achievable steps Originally self published by Willow Creek Community Church this expanded and improved edition offers field tested and biblically supported advice on such topics as modeling a surrendered life to those you shepherd gaining the tools and wisdom you need for coaching helping leaders grow spiritually nurturing the spiritual development and support of leaders For those who want to coach with

excellence and truly help small group leaders thrive this go to guide offers practical answers and inspiring examples You ll find both challenge and promise in these pages as you learn to carry forth your God given calling with confidence We ask small group leaders to come alongside their group members but often no one comes alongside them This is a great tool from two people who have done exactly that for a long time Small group leaders everywhere will benefit from this kind of coaching

The Impact of Church Consultancy Ian G. Duncum,2019-01-14 This book follows the journey of ten churches who underwent church consultancies and explores in depth both the consultancy and its outcomes Pre consultancy and post consultancy snapshots four to five years apart of vitality indicators and attendance figures using National Church Life Survey and other data are used to compare these with churches that have not undertaken church consultancies Theologies of church consultancy church health and church growth are also developed and examined intersecting with a wide body of literature including contemporary ecclesiologies Consultancy outcomes are examined in detail This includes interviews with pastors of some of those churches reflecting on their perceptions of whether and how the church consultancy impacted the health and growth of their church Conclusions are drawn about the efficacy of church consultancy in influencing the health and growth of churches as well as contexts for the best use of church consultancy This is a significant book for denominational leaders theological lecturers pastors and church leaders as they encounter lack of health in churches and seek ways forward for greater health and impact in their local communities

Doing Church as a Team Wayne Cordeiro,2004-09-15 When a Church Works Together Nothing Is Beyond Reach Your church may have many members but does every member have a purpose In *Doing Church as a Team* Pastor Wayne Cordeiro underscores that church numbers are insignificant when every individual is not involved However if the team members work together as one toward a single clearly defined goal anything is possible and everyone shares in the joys and rewards of success Pastor Wayne Cordeiro shows you how to identify the hidden callings of the members in your church so that together you can accomplish anything God has called you to do

Transform Your Church with Ministry Teams E. Stanley Ott,2004 The concept of ministry teams is rapidly taking hold in churches but just what are they and how do they work *Transform Your Church with Ministry Teams* outlines what effective ministry teams look like describes what they can offer local congregations and gives concrete step by step suggestions for making them happen The power of ministry teams lies in their unique capacity to generate genuine Christian fellowship nurture disciples develop leaders and mobilize people for ministry While traditional church leadership organizations concentrate almost exclusively on task policy and program ministry teams are designed to enhance faith development and thus ministry effectiveness E Stanley Ott explores three main areas of ministry team development First he explains the philosophy behind ministry teams and discusses the issues involved in shifting from committee based to team based ministry Second he tells how to begin ministry teams including how to identify team leaders and members and how to determine their roles Third he looks at the details of ministry team life including ways to build team fellowship foster

discipleship and communication within teams and accomplish specific ministry tasks Filled with wise time tested advice including four how to appendixes this book will help pastors and lay leaders transform the life of their church or Christian organization

The Nature of Church Camp Christopher W. Anderson,2023-12-18 The Nature of Church Camp An Environmental History of Outdoor Ministry 1945 1980 by Christopher W Anderson explores the mid twentieth century history of religious camps and retreat centers to provide new insights into the history of environmentalism in the United States Ecumenical Protestantism and the ecology movement both changed the calculus of American morality after World War II Through archival material case study visits and oral histories Anderson finds that these institutions often reacted to ecological critiques with temperate but gradual reforms However camps and outdoor ministries by virtue of their natural settings and sizable acreage soon provided a new way to explore the history of spirituality and ecology moving away from the conference campus and using nostalgia for the frontier instead to make arguments about the meaning of the American nation and the value of democracy This new way of thinking was reflected throughout the camps and enthusiastically endorsed decentralized small group camping By examining the conduct of church camps and conferences before during and after the ecological era Anderson shows how environmental stewardship became the dominant paradigm for Protestant environmentalism why that is a flawed and fractious model and why it has stalled

Joel Comiskey traversed the globe to find out why certain churches and small groups are successful in reaching the lost. He found the answers and freely shares them within this volume. If you are a pastor or small group leader, you should devour this book. It will encourage you and give you simple practical steps for dynamic small group life and growth. My friend Joel Comiskey is a combination of a local church practitioner and a painstaking scholar. Joel spent hundreds of hours and thousands of dollars visiting eight of the highest visibility cell group churches to interview their leaders and record his findings. I love this book because it focuses on the multiplication of cells for the greatest evangelistic results. C. Peter Wagner, Author, Scholar, and Church Growth Expert. Comiskey does not just describe what is happening in cell churches. He takes the next step and identifies in a step-by-step fashion how we can apply these principles in our churches. It is all here, everything we need to know to start and grow a cell group ministry. I am grateful to Dr. Comiskey for the time, effort, and research that has gone into producing this long-needed book. Richard Peace, Ph.D., Professor of Evangelism and Spiritual Formation, Fuller Theological Seminary. Joel and I shared many days in Bogota as this book was written. His grasp of cell church models is superior to any other person I have worked with. This book is a treasure of information for church planters and pastors wishing to transition to the cell model. Ralph W. Neighbour Jr., Author and Pioneer Church Planter.
