

Unionism and politics cannot be separated. Power generated at the trade-union level can be shattered by government blows. Workers must enter the political arena as an independent class force, with their own party.

FARRELL DOBBS

TEAMSTER POLITICS tells the story of how Minneapolis Teamster Local 544, guided by a class-struggle leadership in the 1930s . . . organized the unemployed and truck owner-operators into fighting union auxiliaries . . . deployed a Union Defense Guard to stop a membership drive by fascist Silver Shirts . . . combated FBI and "Justice" Department frame-ups . . . campaigned for workers to break politically from the bosses and organize a labor party based on the unions . . . and mobilized labor opposition to U.S. imperialism's entry into World War II.

FARRELL DOBBS, a coal yard worker in his twenties, emerged as a leader of the 1934 Minneapolis Teamster strikes and was central organizer of the 11-state drive that brought tens of thousands of over-the-road truckers into the union. He resigned from the organizing staff in 1940 to become labor secretary of the Socialist Workers Party. National secretary of the SWP from 1953 to 1972, he was the party's presidential candidate four times.

**International Brotherhood of
Teamsters**

Teamster Politics:

Teamster Politics Farrell Dobbs, 1975 Four books on the 1930s strikes and organizing drive that transformed the Teamsters union in Minnesota and much of the Midwest into a fighting industrial union movement Written by a leader of the communist movement in the U S and organizer of the Teamsters union during the rise of the CIO Indispensable tools for advancing revolutionary politics organization and trade union strategy How rank and file Teamsters led the fight against antiunion frame ups and assaults by fascist goons the battle for jobs for all and efforts to advance independent labor political action

Segmented Labor, Fractured Politics William Form, 2007-07-27 My curiosity and concern about the working class in America stems from childhood memories of my father a cabinetmaker and of my oldest brother an autoworker who were passionately involved in the labor movement Perhaps because they so wanted the working class to achieve greater social and economic justice and because they insisted it was not happening I became curious to know the reasons why Without even being aware of it I began to explore a possible explanation the internal diversity of the working class In my studies of autoworkers the prototype proletarians in the United States Italy Argentina and India I discovered that they seemed to be more divided economically socially and politically in the more economically advanced countries an idea that ran contrary to the evolutionary predictions of my Marxist friends When I reported this in *Blue Collar Stratification* 1976 I was surprised that some of them who were committed to an ideology of working class solidarity attacked the hypothesis because it ran against their convictions

St. Louis Politics Lana Stein, 2002 There are two defining moments in St Louis political history the 1876 divorce of the city from its county and the 1914 charter adoption The institutions created at these times produced a factional and fragmented city government thoroughly grounded in machine politics Stein examines major themes in urban politics over the last century race redevelopment suburbanization and leadership St Louis mayors must deal with the comptroller and the president of the board of aldermen plus twenty eight aldermen elected from wards State law says the city must also have eight county offices offices that perform county functions for the city Power is difficult to amass in this factional and fragmented universe In St Louis politics consensus building and alliances can prove to be more important than election night victory St Louis's political culture stems from the city's fragmented nature Its philosophy is often you go along to get along or go home from the dance with the guy that brought you Individual friendships are of great importance Within this environment class and racial cleavages also affect political decision making Although St Louis elected its first African American official in 1918 genuine political incorporation has been long in coming Several decades ago issues of class and race prevented St Louis from adopting a new charter with more streamlined public offices Today some St Louisans cry out for home rule and governmental reform Stein's work helps to demonstrate that institutions structure political behavior and outcomes Changing institutions can make a difference after political culture adapts to the new playing field

Our Politics Start with the World Jack Barnes, Richard Levins, Steve Clark, 2005 The huge economic and cultural inequalities between

imperialist and semicolonial countries and among classes within almost every country are produced reproduced and accentuated by the workings of capitalism For vanguard workers to build parties able to lead a successful revolutionary struggle for power in our own countries says Jack Barnes in the lead article our activity must be guided by a strategy to close this gap Also includes Farming Science and the Working Classes by Steve Clark Capitalism Labor and Nature An Exchange by Richard Levins Steve Clark

And Justice For All: ...Even Teamsters Laird Evans, 2016-01-25 And Justice for All even Teamsters tells of one man's journey from growing up on a Louisiana plantation to attending a presidential inauguration Laird Evans watched America change from a vibrant economy to a world where deregulation and governmental interference practically destroyed the Teamsters Union

Mobsters, Unions, and Feds James B Jacobs, 2006-01-01 This worthy successor to Gotham Unbound is an exhaustive survey of the grip La Cosa Nostra has exerted on the country's most powerful unions Publishers Weekly Nowhere in the world has organized crime infiltrated the labor movement as effectively as in the United States Yet the government the AFL CIO and the civil liberties community all but ignored the situation for most of the twentieth century Since 1975 however the FBI Department of Justice and the federal judiciary have relentlessly battled against labor racketeering even in some of the nation's most powerful unions Mobsters Unions and Feds is the first book to document organized crime's exploitation of organized labor and the massive federal cleanup effort A renowned criminologist who for twenty years has been assessing the government's attack on the Mafia James B Jacobs explains how Cosa Nostra families first gained a foothold in the labor movement then consolidated their power through patronage fraud and violence and finally used this power to become part of the political and economic power structure of twentieth century urban America Since FBI Director J Edgar Hoover's death in 1972 federal law enforcement has aggressively investigated and prosecuted labor racketeers as well as utilized the civil remedies provided for by the Racketeer Influenced and Corrupt Organization RICO statute to impose long term court supervised remedial trusteeships on mobbed up unions There have been some impressive victories including substantial progress toward liberating the four most racketeer ridden national unions from the grip of organized crime but victory cannot yet be claimed A must read book for anyone interested in the problem of union corruption and what to do about it Industrial and Labor Relations Review

Ron Carey and the Teamsters Ken Reiman, 2024-04-09 Probes the enduring impact and devastating fall of one of the greatest union organizers of the 20th century In this riveting account retired UPS driver and unionist Ken Reiman gives us the first in depth portrait of Ron Carey as he rose from a local union officer in the mid 1960s to president of what was in 1991 the largest labor union in the United States For many years the International Brotherhood of Teamsters was one of this country's most corrupt unions with close ties to organized crime Hundreds of officers drew enormous salaries while doing no work Pension funds were drained to build Las Vegas casinos Ultimately many Teamster leaders were either sent to prison or killed But because he was willing to put members first Carey and the Teamsters were able to defeat UPS and the major trucking companies along with their many

enemies in the mob in corporate boardrooms and in the halls of Congress In the process Carey tangibly transformed the lives of countless workers Drawing on transcripts from court hearings public records newspaper references and over fifty first person interviews including several off the record conversations Reiman brings us the untold story of Carey s meteoric rise and demise

Trotskyists on Trial Donna T Haverty-Stacke,2016-01-08 Passed in June 1940 the Smith Act was a peacetime anti sedition law that marked a dramatic shift in the legal definition of free speech protection in America by criminalizing the advocacy of disloyalty to the government by force It also criminalized the acts of printing publishing or distributing anything advocating such sedition and made it illegal to organize or belong to any association that did the same It was first brought to trial in July 1941 when a federal grand jury in Minneapolis indicted twenty nine Socialist Workers Party members fifteen of whom also belonged to the militant Teamsters Local 544 Eighteen of the defendants were convicted of conspiring to overthrow the government Examining the social political and legal history of the first Smith Act case this book focuses on the tension between the nation s cherished principle of free political expression and the demands of national security on the eve of America s entry into World War II Based on newly declassified government documents and recently opened archival sources Trotskyists on Trial explores the implications of the case for organized labor and civil liberties in wartime and postwar America The central issue of how Americans have tolerated or suppressed dissent during moments of national crisis is not only important to our understanding of the past but also remains a pressing concern in the post 9 11 world This volume traces some of the implications of the compromise between rights and security that was made in the mid twentieth century offering historical context for some of the consequences of similar bargains struck today

Trotskyism in the United States Paul Le Blanc,Alan Wald,George Breitman,2016-12-01 In the new edition of this definitive work on the history of the revolutionary socialist current in the United States that came to be identified as American Trotskyism Paul Le Blanc offers fresh reflections on this history for scholars and activists in the twenty first century Includes a preface written especially for the new edition of this distinctive work Paul Le Blanc is a professor of History at La Roche College and author of Choice Award winning book *A Freedom Budget for All Americans*

Revolutionary Teamsters Bryan D. Palmer,2013-08-22 Minneapolis in the early 1930s was anything but a union stronghold An employers association known as the Citizens Alliance kept labour organisations in check at the same time as it cultivated opposition to radicalism in all forms This all changed in 1934 The year saw three strikes violent picket line confrontations and tens of thousands of workers protesting in the streets Bryan D Palmer tells the riveting story of how a handful of revolutionary Trotskyists working in the largely non union trucking sector led the drive to organise the unorganised to build one large industrial union What emerges is a compelling narrative of class struggle a reminder of what can be accomplished even in the worst of circumstances with a principled and far seeing leadership

Fighting for Total Person Unionism Robert Bussel,2015-09-30 During the 1950s and 1960s labor leaders Harold Gibbons and Ernest Calloway championed a new kind of labor movement that regarded workers

as total persons interested in both workplace affairs and the exercise of effective citizenship in their communities Working through Teamsters Local 688 and viewing the city of St Louis as their laboratory this remarkable interracial duo forged a dynamic political alliance that placed their citizen members on the front lines of epic battles for urban revitalization improved public services and the advancement of racial and economic justice Parallel to their political partnership Gibbons functioned as a top Teamsters Union leader and Calloway as an influential figure in St Louis s civil rights movement Their pioneering efforts not only altered St Louis s social and political landscape but also raised fundamental questions about the fate of the post industrial city the meaning of citizenship and the role of unions in shaping American democracy *Life in the Teamsters: The History of D.R.I.V.E.* International Brotherhood of Teamsters,2015-09-28 *Life in the Teamsters* The History of DRIVE explores key events that took place during the first decade 1959 1969 of the International Brotherhood of Teamsters political action organization DRIVE DRIVE provided rank and file members and their families with the opportunity to mobilize politically at the local state and national levels of government in order to protect the interests of working people Through involvement in DRIVE Teamster families challenged political attacks on union and non union workers by supporting pro labor candidates and pushing for pro labor legislation **The International Teamster** ,1905 Rethinking the American Labor Movement Elizabeth Faue,2017-04-28 *Rethinking the American Labor Movement* tells the story of the various groups and incidents that make up what we think of as the labor movement While the efforts of the American labor force towards greater wealth parity have been rife with contention the struggle has embraced a broad vision of a more equitable distribution of the nation s wealth and a desire for workers to have greater control over their own lives In this succinct and authoritative volume Elizabeth Faue reconsiders the varied strains of the labor movement situating them within the context of rapidly transforming twentieth century American society to show how these efforts have formed a political and social movement that has shaped the trajectory of American life *Rethinking the American Labor Movement* is indispensable reading for scholars and students interested in American labor in the twentieth century and in the interplay between labor wealth and power **The Teamster** ,2009 Trampling Out the Vintage Frank Bardacke,2012-10-09 The first ever comprehensive history of the rise and fall of the United Farm Workers and its infamous leader Cesar Chavez one of the most attractive and charismatic figures U S politics has produced The Guardian In its heyday the United Farm Workers was an embodiment of its slogan Yes we can in the form S Se Puede winning many labor victories securing collective bargaining rights for farm workers and becoming a major voice for the Latino community Today it is a mere shadow of its former self *Trampling Out the Vintage* is the authoritative and award winning account of the rise and fall of the United Farm Workers and its most famous and controversial leader Cesar Chavez Based interviews conducted over many years with farm workers organizers and the opponents and friends of the UFW the book tells a story of collective action and empowerment rich in evocative detail and stirring human interest Beginning with the influence of the ideas of Saul Alinsky and Catholic Social

Action at the union's founding through the UFW's thrilling triumphs in the California fields the drama concludes with the debilitating internal struggles that effectively crippled the union A vivid rendering of farm work and the world of the farm worker Trampling Out the Vintage is a dramatic reappraisal of the political trajectory of Cesar Chavez and the United Farm Workers and an essential re-evaluation of their most tumultuous years Report on the Financial, Operating and Political Affairs of the International Brotherhood of Teamsters United States. Congress. House. Committee on Education and the Workforce. Subcommittee on Oversight and Investigations,1999 Life and Labor in the New New South Robert H. Zieger,2012-03-18 This collection of essays explores the dynamic new face of Southern labour since 1950 examining such topics as southern deindustrialisation union activism in the healthcare industry labour community coalitions the politics of southern anti unionism and immigrant labour in southern agriculture **When Skateboards Will Be Free** Saïd Sayrafiezadeh,2009-03-24 BONUS This edition contains a When Skateboards Will Be Free discussion guide The revolution is not only inevitable it is imminent It is not only imminent it is quite imminent And when the time comes my father will lead it With a profound gift for capturing the absurd in life and a deadpan wisdom that comes from surviving a surreal childhood in the Socialist Workers Party Saïd Sayrafiezadeh has crafted an unsentimental funny heartbreaking memoir Saïd's Iranian born father and American Jewish mother had one thing in common their unshakable conviction that the workers revolution was coming Separated since their son was nine months old they each pursued a dream of the perfect socialist society Pinballing with his mother between makeshift Pittsburgh apartments falling asleep at party meetings longing for the luxuries he's taught to despise Saïd waits for the revolution that never ever arrives Soon his mother assures him while his long absent father quixotically runs as a socialist candidate for president in an Iran about to fall under the ayatollahs Then comes the hostage crisis The uproar that follows is the first time Saïd hears the word Iran in school There he is suddenly forced to confront the combustible stew of his identity as an American an Iranian a Jew a socialist and a middle school kid who loves football and video games Poised perfectly between tragedy and farce here is a story by a brilliant young writer struggling to break away from the powerful mythologies of his upbringing and create a life and a voice of his own Saïd Sayrafiezadeh's memoir is unforgettable *Why David Sometimes Wins* Marshall Ganz,2009-05-28 *Why David Sometimes Wins* tells the story of Cesar Chavez and the United Farm Workers groundbreaking victory drawing important lessons from this dramatic tale Offering insight from a longtime movement organizer and scholar Ganz illustrates how they had the ability and resourcefulness to devise good strategy and turn short term advantages into long term gains

Yeah, reviewing a ebook **Teamster Politics** could accumulate your near links listings. This is just one of the solutions for you to be successful. As understood, ability does not recommend that you have wonderful points.

Comprehending as well as understanding even more than additional will find the money for each success. next-door to, the broadcast as without difficulty as sharpness of this Teamster Politics can be taken as skillfully as picked to act.
