Tears Of Mother Bear:

Tears of Mother Bear Anne Margaret Lewis,2012-02-01 Where do Petoskey stones come from Based on a Native American legend a family learns the story of a natural wonder Perhaps the answer lies in the discovery that Mother Bear has been leaving her tears all over the beaches of Lake Michigan for hundreds of years Walk the shores of Lake Michigan with grandpa and his grandchildren on their rock hunting expedition in search of the great Petoskey stone Grandpa passes on the age old Ojibwe Sleeping Bear legend and reveals the untold story of the Tears of Mother Bear **Shamanic Secrets: Lost Wisdom Regained** Robert Shapiro,2016-11-01 Due to wars natural disasters a shaman not being able to train a successor and many other reasons Isis through Robert says that 95 percent of the accumulated shamanic wisdom has been lost Now it is important to regain this wisdom as young people who are able to learn and use these processes are being born now Beings who lived as shamans and healers on Earth at various times now speak through Robert Shapiro and bring these lost teachings and techniques to a humanity waking up and discovering it has the talents and abilities to use this wisdom for the benefit of all This is a time on Earth when people are being rent asunder by dramas in their lives and are overwhelmed by dramas in the lives of others or are sometimes attached to the dramatic events of the day In times gone by there were people who provided knowledge wisdom and comfort to ease life for their people This book is entirely about finding comfort and ease through life You don t have to struggle You don t have to find substitutes for things you don t have You don t have to get along without things you need You need food comfortable shelter good health and time to enjoy life This book does not provide all the answers to all your questions Rather it is the beginning of much more to come Some of you are interested in how others lived their lives in the past but most of you especially those who need something want something or are desperately trying to acquire something are interested in how people from the past acquired those things Some of the suggestions will seem fantastic or impossible to you Don t assume that Some of you will find you can produce in some way a portion of what those shamans from the past were able to do This might be easier for those of you already on your spiritual path Even if you are not on any particular spiritual path don t assume you cannot do these things Speaks of Many Truths
