

MY SISTER IS CRAZY

My sister wears a pyramid on her head. That's right. She has a little pyramid-shaped hat. "What is wrong with you?" I ask her. "You look like a jerk!" My sister sighs and rolls her eyes, as if I'm the one who's a total loon.

"The pyramid is a source of ancient power," she says. "The Egyptians had pyramids, and their empire lasted 3,000 years. The Aztecs ruled Mexico with an iron fist. Or was it the Incas? No, Aztecs, I think. Anyway, they had pyramids. And how about the pyramid on the one-dollar bill? Coincidence? I don't think so."

My sister is crazy. That's because she's getting bombarded by alien anti-brain waves from outer space. Super-intelligent beings from the Nebula Galaxy are shooting at us with pluton rays that can make you go crazy. They're not aiming at everyone, of course. Just my family.

That's why I wear aluminum foil on my head. I have a very good looking ray-deflecting foil hat that I made myself. Not in the shape of a pyramid! You'd have to be nuts to think that a pyramid would protect your brain from evil alien rays coming from outer space. Which proves my point: My sister is crazy.
