Textile Production and Consumption in the Ancient Near East Marie-Louise Nosch, Henriette Koefoed, Eva Andersson Strand, 2013-01-11 In the past textile production was a key part of all ancient societies The Ancient Near East stands out in this respect with the overwhelming amount of documentation both in terms of raw materials line of production and the distribution of finished products The thirteen intriguing chapters in Textile Production and Consumption in the Ancient Near East describe the developments and changes from household to standardised industrialised and centralised productions which take place in the region They discuss the economic social and cultural impact of textiles on ancient society through the application of textile tool studies experimental testing context studies and epigraphical as well as iconographical sources Together they demonstrate that the textile industries production technology consumption and innovations are crucial to and therefore provide an in depth view of ancient societies during this period Geographically the contributions cover Anatolia the Levant Syria the Assyrian heartland Sumer and Egypt *Textiles and Clothing Along the Silk Roads* China National Silk Museum, UNESCO, 2022-10-05

Catalogue Mrs. Phoebe A. Hearst Loan Collection Phoebe Apperson Hearst, San Francisco Art Association, 1917 **The Techniques of Tablet Weaving** Peter Collingwood, 2021-10-31 When Techniques of Tablet Weaving was first published in 1982 it sold out almost immediately Weavers fiber artists and collectors hungry for the vast and carefully organized repository of information it contained have spent years excitedly sharing dog eared paperback editions and roughly

photocopied excerpts of this one of a kind volume No commercially published book before or since has captured the amount and quality of information and research on the art of tablet weaving also known as card weaving Finally long deprived cardweaving enthusiasts can own their very own copy of Peter Collingwood s landmark book thanks to this high quality 2015 reprint complete with dozens of detailed photographs pattern examples and step by step instructions for each of the techniques presented In addition to instructional information Techniques of Tablet Weaving contains pages of historical context for a variety of weaving techniques with clear and helpful tips on reproducing them precisely as well as modern variations on the classics

Lenore Tawney Karen Patterson,2019-10-04 Recent years have seen an enormous surge of interest in fiber arts with works made of thread on display in art museums around the world But this art form only began to transcend its origins as a humble craft in the late nineteenth and early twentieth centuries and it wasn t until the 1950s and 1960s that artists used the fiber arts to build critical practices that challenged the definitions of painting drawing and sculpture One of those artists was Lenore Tawney 1907 2007 Raised and trained in Chicago before she moved to New York Tawney had a storied career She was known for employing an ancient Peruvian gauze weave technique to create a painterly effect that appeared to float in space rather than cling to the wall as well as for being one of the first artists to blend sculptural techniques with weaving practices and in the process pioneered a new direction in fiber art Despite her prominence on the New York art scene however she has only recently begun to receive her due from the greater art world Accompanying a retrospective at the John Michael Kohler Arts Center this catalog features a comprehensive biography of Tawney additional essays on her work and two hundred full color illustrations making it of interest to contemporary artists art historians and the growing audience for fiber art Copublished with the John Michael Kohler Arts Center
