

A photograph of a dirt road winding through a forest. The trees on either side have autumn foliage in shades of orange, yellow, and brown. The road leads towards a bright light at the end of the path, creating a strong perspective. The overall mood is serene and contemplative.

Moore,2025-03-18 James Baldwin author and civil rights activist stated that to be Black in America and relatively conscious is to be in a state of rage almost all of the time In this audacious debut poetry collection *The Horizon Never Forgets* Steven Moore offers us drops of honey in the tender moments we sometimes experience especially a mother's love But also drops of fire and rage when he writes about being Black when the world ignores the pain and refuses to address the ongoing struggle to live while bearing the weight of racism Readers feel the rage the burn the fury of the Black experience and the urgency for change but also the uplift and hope that still reside within love's possibilities *The Heart Never Forgets* Ann Marie McKay,2017-04-16 A love story set in Tampa Florida A newlydivorced woman travels to Florida in search of a new start there she finds new experiences and a new love

Entertaining Anecdotes from Every Available Source James Baird McClure,1879 **Rooms in Our Heart** Randall Carpenter,2019-02-13 Life is about finding that spark that motivates you It's seeking your purpose and pursuing it relentlessly Every day you want to be a little better than you were yesterday *Rooms in Our Heart* is a collection of insightful inspirational writings and thoughts about life love and other circumstances we all deal with in life It is a collection of thought provoking words written from the heart and mind of the author whose view of life goes beyond life's superficial surface Life is not always about what we accomplish but what we overcome to get through every day Having someone in your life who cares enough to want to help but expects nothing in return can be inspiring motivating and uplifting Sometimes wisdom doesn't come from age or even experiences It comes from someone who cares enough to open the rooms in their heart and let what's within help inspire you in life The Rooms in Our Heart are there in each of us The key to unlocking each of them is but a moment away waiting in life to be experienced and opened widely to bring to life yet again a memory we need today
