The Hebron File:

The Hebron File J. C. Avigad, 2005-07-01 It is 1910 along the rain drenched coast of Washington state Felton Connelly is trying to run from a past that haunts him A past that took the lives of his wife and two children His dedication to being a police officer kept him from being there that night to save his family He vowed to never do police work again Until his friend Nolan Delford an Aberdeen Washington detective talks him into working undercover A reluctant but capable Connelly agrees to aid Delford in his quest to bring one Billy Gohl an Aberdeen thug to justice Gohl is suspected of murder and dumping the bodies into Grays Harbor Many of the corpses have surfaced in the harbor with empty pockets heads bashed in and a bullet hole between the eyes Two women vie for Connelly s attention One of great beauty the other a plain but strong young widow with two sons whose husband was done away with by Billy Gohl Not only must Connelly bring Gohl to justice but he also must choose which woman he wants If his haunted past doesn t get in the way *The Alster Files* Joseph Alster, 2001

Judaism and Human Geography Yossi Katz,2021-05-11 Judaism is a religion and a way of life that combines beliefs as well as practical commandments and traditions encompassing all spheres of life Some of the numerous precepts emerge directly from the Torah the Law of Moses Others are commanded by Oral Law rulings of illustrious Jewish legal scholars throughout the generations and rabbinic responsa composed over hundreds of years and still being written today Like other religions Judaism has also developed unique symbols that have become virtually exclusive to it such as the Star of David and the menorah This book argues that Judaism impacts human geography in significant ways it shapes the environment and space of its believers thus creating a unique Jewish geography **New York Court of Appeals.
