Steve squinted trying to catch the text on a third logo that promised it was only 0.3 miles away. The Hidden Springs Inn and Spa complete with a cartoon image of steaming hot water. Steve groaned and closed his eyes for a quick second. He didn't care one bit whether that meant a commercial hot tub a hotel bathtub or an actual hot spring. He wouldn't mind if the inn cost ten times what any of the chains did. He couldn't think of anything he'd rather do than soak this rotten drive away. He'd call his parents and break the bad news once he was able to pry his fingers loose from the steering wheel. Steve simply couldn't face one more mile in a freak blizzard tonight. Please oh please kind sir Tell me you have room at your inn for one more wandering soul tonight.

The Hidden Spring: A Journey to the Source of Consciousness Mark Solms, 2021-02-16 A revelatory new theory of consciousness that returns emotions to the center of mental life. For Mark Solms one of the boldest thinkers in contemporary neuroscience discovering how consciousness comes about has been a lifetime's quest. Scientists consider it the hard problem because it seems an impossible task to understand why we feel a subjective sense of self and how it arises in the brain. Venturing into the elementary physics of life Solms has now arrived at an astonishing answer. In The Hidden Spring he brings forward his discovery in accessible language and graspable analogies. Solms is a frank and fearless guide on an extraordinary voyage from the dawn of neuropsychology and psychoanalysis to the cutting edge of contemporary neuroscience adhering to the medically provable. But he goes beyond other neuroscientists by paying close attention to the subjective experiences of

hundreds of neurological patients many of whom he treated whose uncanny conversations expose much about the brain's obscure reaches Most importantly you will be able to recognize the workings of your own mind for what they really are including every stray thought pulse of emotion and shift of attention The Hidden Spring will profoundly alter your understanding of your own subjective experience *Hidden Springs.
