The Of Strangers:

The Company of Strangers Paul Seabright, 2004 This is a wonderful book very well written and accessible to a wide audience

The Holy Intimacy of Strangers Sarah York, 2002-11-08 In *The Holy Intimacy of Strangers* Sarah York explores our common yearning for deeper and more meaningful connection with one another The book presents the paradox we often observe how our seemingly casual interactions with strangers can unlock the door to our hearts and help us discover how we need and yet often resist true intimacy in our relationships This provocative book gives us a new way to look at the qualities of our exchanges with strangers Once we begin this journey we can trace the outlines of our lives together in community our expressions of caring and hospitality the costs of prejudice and judgment our fears and defensiveness the tension between being inclusive or exclusive our expectations and assumptions about one another

The Comfort of Strangers Gage McWeeny, 2016 This text argues for a new understanding of the relation between nineteenth century realist literary form and the socially dense environments of modernity

In the Care of Strangers D. Alexander Holiday, 2010-04-28 In three previous books through a selection of prose poems the author shared bits and pieces of a life one comprised of complete abandonment by a mother and the disconnected roles played by extended family members a life that eventually led to being placed in foster care Now for the first time with *In the Care of Strangers* he tells the entire story of what such a life was actually like In this five part memoir dependent on the seven deadly sins the author tries to reconstruct a painful journey of coming of age under the literal care of strangers and the individuals that made up the foster homes and hospitals that would help to shape a young man's life certainly a difficult life riddled with abuse from the start Malice and ending with greed and envy in a fourth and final home He finds and develops pride in himself while recuperating from a paralysis How this young man attempts to survive the experiences of foster care while also having to contend with a disability and still managing to try to simply achieve graduation from high school with a goal toward college is a testament to a human spirit beyond measure This riveting story told through an innocent almost childlike voice of a boy shocked into care then as an older man who has come to terms with his situation The Unclaimed and finally through the poetry should be taken as an inspiration for many

In the Hands of Strangers Robert Edgar Conrad, 2010-11-01 In *In the Hands of Strangers* is a collection of sixty seven documents by writers and witnesses from the past both black and white that offer perspectives on the trade and movement of slaves Many elucidate the long standing discord between North and South over the issue of slavery Documents are divided into three parts that cover the African slave trade the internal U S slave trade and the series of conflicts and crises that led to the Civil War They cover a variety of topics including the forced transport of slaves throughout East Coast and Gulf Coast states buying and selling of slaves increasingly contentious debates over the legitimacy of slavery and effects of the breakup of families The volume concludes with a brilliant essay by Frederick Douglass that asks the question What shall be done with the Negro

Ian McEwan,1994-11-01 A vacationing English couple find more than they bargained for in this inventive and unsettling novel from the Booker Prize winner and bestselling author of Atonement Visiting an unnamed city Mary and Colin attract the interest of Robert a charismatic older man with a story to tell But the more they get to know Robert and his disabled wife Caroline the more apparent it becomes that there s something not quite right about their new friends A shocking work of violence and obsession The Comfort of Strangers is Ian McEwan at his very best Don t miss Ian McEwan s new novel Lessons coming in September **Strangers in African Societies** Herschelle Challenor,Joint Committee on African

Studies,1979-01-01 Conference report comparison of the attitudes and reactions of African host countries to migrants foreigners and migrant workers discusses social theories historical and current background economic policy relating to aliens covers multinational enterprises legal status indigenization nationalization conflicts between aliens and citizens social structure race relations ideologies economic and political aspects etc includes case studies of Ghana and Uganda

Bibliography Conference held in Belmont 1974 Oct 16 to 19 *The Statutes at Large* Great Britain,1763 The Comfort of Strangers Ian McEwan,2020-10-01 A twisted relationship between two couples reaches a terrible climax in this novel by the New York Times bestselling author of Machines Like Me Colin and Mary are lovers on holiday in Italy their relationship becoming increasingly problematic as they become increasingly alienated from one and other They move from place to place in this foreign land but seemingly without aim or purpose seemingly bored and without attachment Then they meet a man named Robert and his disabled wife Caroline Colin and Mary seem happy for the diversion happy to meet another couple that takes their focus off of each other for a while But things become strange when they attempt to leave Robert and Caroline insist that they stay with them for a while longer While Mary and Colin do rediscover an erotic attraction to each other during this time they also find that their relationship with Robert and Caroline is taking a dreadful and horrific turn in this fine novel by the Booker Prize winning author of Saturday and On Chesil Beach New Statesman McEwan perfectly captures the thrill of travel when one is divorced from familiar surroundings and the chance of something unusual and out of character seems possible Of course this being a McEwan fiction the possibility is a brutal truth about how people find love in extreme ways The Daily Beast *The Strangers Book* Lloyd Pratt,2015-09-28 The Strangers Book explores how various nineteenth century African American writers radically reframed the terms of humanism by redefining what it meant to be a stranger Rejecting the idea that humans have easy access to a common reserve of experiences and emotions they countered the notion that a person can use a supposed knowledge of human nature to claim full understanding of any other person s life Instead they posited that being a stranger unknown and unknowable was an essential part of the human condition Affirming the unknown and unknowable differences between people as individuals and in groups laid the groundwork for an ethical and democratic society in which all persons could find a place If everyone is a stranger then no individual or class can lay claim to the characteristics that define who gets to be a human in political and public arenas Lloyd Pratt focuses on nineteenth

century African American writing and publishing venues and practices such as the Colored National Convention movement and literary societies in Nantucket and New Orleans Examining the writing of Frederick Douglass in tandem with that of the francophone free men of color who published the first anthology of African American poetry in 1845 he contends these authors were never interested in petitioning whites for sympathy or for recognition of their humanity Instead they presented a moral imperative to develop practices of stranger humanism in order to forge personal and political connections based on mutually acknowledged and always evolving differences *The Kindness of Strangers* Michael E. McCullough, 2020-07-21 A fine achievement Peter Singer author of *The Life You Can Save* and *The Most Good You Can Do* A sweeping psychological history of human goodness from the foundations of evolution to the modern political and social challenges humanity is now facing How did humans a species of self centered apes come to care about others Since Darwin scientists have tried to answer this question using evolutionary theory In *The Kindness of Strangers* psychologist Michael E McCullough shows why they have failed and offers a new explanation instead From the moment nomadic humans first settled down until the aftermath of the Second World War our species has confronted repeated crises that we could only survive by changing our behavior As McCullough argues these choices weren't enabled by an evolved moral sense but with moral invention driven not by evolution's dictates but by reason Today's challenges climate change mass migration nationalism are some of humanity's greatest yet In revealing how past crises shaped the foundations of human concern *The Kindness of Strangers* offers clues for how we can adapt our moral thinking to survive these challenges as well *In the Company of Strangers* Liz Byrski, 2012-09-01 Ruby and Cat's friendship was forged on an English dockside over sixty years ago when both fearful they boarded a ship bound for Australia It was a friendship that was supposed to last a lifetime but when news of Cat's death reaches Ruby back in London it comes after a painful estrangement Declan has also drifted away from Cat but he is forced back to his aunt's lavender farm Benson's Reach when he learns that he and Ruby are co-beneficiaries As these two very different people come together in Margaret River they must learn to trust each other and to deal with the staff and guests Can the legacy of Benson's Reach triumph over the hurt of the past Or is Cat's duty-laden legacy simply too much for Ruby and Declan to keep alive *A Study Guide for Jan de Hartog's "The Fourposter"* Gale, Cengage Learning, 2016 A Study Guide for Jan de Hartog's *The Fourposter* excerpted from Gale's acclaimed *Drama For Students* This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust *Drama For Students* for all of your research needs *The Faces of Strangers* Pia Padukone, 2016 When native New Yorker Nicholas Grand applies for an international student exchange program he thinks it's an opportunity to broaden his horizons and meet some interesting people He never imagines that a single year would have repercussions that would follow him throughout his lifetime Nicholas is sent to Estonia where he meets shy sensitive Paavo his beautiful sister Mari and their gruff father Leo a family grappling with the challenges of life in a small
