**Table Tennis** American Sports Publishing Company,2015-06-24 Excerpt from Table Tennis A Description of the Game With Rules and Instructions for Playing Table Tennis Whiff Whaff Pom Pom Ping Pong or any other name which an inventive mind can think of are all played alike there is absolutely no difference of any description in the tables on which they are played the racquets the balls the nets or in the rules which govern them The game originated in Japan and has been played there on and off for nearly two thousand years it was introduced into England some years ago under the name of Whiff Whaff but did not take on well as no one seemed at that time to realize the amount of skill necessary to play the game well and it was not until 1900 that it became popular and its popularity can be directly traced to the substitution of celluloid balls in place of the rubber ones with which the game had been previously played With celluloid balls the possibilities of the game were increased a thousand fold and a game which with the old rubber balls had been considered at the best only fit for children and old women developed into one of the most skillful games played with a ball About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works      **Ping-Pong** Cornelius G.
