Unfortunate Words of the Bible G. P. Wagenfuhr,2019-06-25 What do unicorns law love and hell all have in common They are all unfortunate words of the Bible Through mistranslation cultural shifts anachronisms and misguided intentions this book traces several key words whose meaning is commonly misunderstood in our world today If the blatant mistranslation of unicorns could survive in the Bible for thousands of years securing their place in our cultural imagination to this day what would happen if important words like salvation were misunderstood How might our cultural imaginations hide the meaning of the Bible rather than revealing it By tearing down misunderstandings Wagenfuhr builds up a broad overview of the story of the Bible that illustrates a more mature and more exciting vision for Christian faith fulness than is commonly assumed

Answers on the Bible Raymond E. Brown,2003-09 A noted biblical scholar s concise responses to a wide range of the questions most frequently posed to him about the Bible **The Secret of the Bible** E. James Dickey,2012-04 The true key to unlocking the secret of the Bible according to author E James Dickey is found in biography Some people would approach the Bible from a doctrinal sacramental historical and archaeological point of view Valid as these ways of understanding this magnificent treasure known as the Bible are any or all of these measures fall far short of encompassing the whole content of the Bible The way to embrace the totality of scripture and unlock the mystery therein is through biography according to the author No other spiritual or religious documents in the world have this element to it Instead dictums commandments sayings maxims and axioms dominate such writings Valid as they are the truly human element is missing Moreover the relationship with the one true God and with one another is dictated by those words be they inspired revealed or fashioned So any relationship tends to become subservient to the statements themselves Thus freedom is thwarted and throttled at its very roots It is true that biography often is somewhat sketchy throughout the scriptures but enough elements are there to portray a real picture of the people involved To look at the Bible from the primary relationship with the one true God of the whole universe and with live human beings is the key to the scriptures When sincere it will produce fruits beyond compare
