The Of The Torah The Narrative Integrity Of The Pentateuch

Thomas Wingate Mann

The Of The Torah The Narrative Integrity Of The Pentateuch:

The Book of the Torah Thomas Wingate Mann,1988-01-01 A sound piece of work Its holistic final form approach reflects the major trend in biblical criticism It is perceptive sensitive thoughtful and stimulation David Gunn Professor of Old Testament Columbia Theological Seminary The Book of the Torah Thomas Wingate Mann,1988 **Verbum Domini and the Complementarity of Exegesis and Theology** Scott Carl,2015-01-08 In Verbum Domini his 2010 apostolic exhortation Pope Benedict XVI challenged the church to keep theology firmly rooted in the study of Scripture The essays collected here respond thoughtfully and concretely to that charge together demonstrating that exegesis is essential to the theological task and to faith for scholars students and the broader Church This is the inaugural volume of the Catholic Theological Formation series published under the auspices of the Monsignor Jerome D Quinn Institute of Biblical Studies at the Saint Paul Seminary School of Divinity Contributors Kelly Anderson Scott Carl Denis Farkasfalvy O Cist Pablo Gadenz Mary Healy Michael Magee Francis Martin Brant Pitre Stephen Ryan O P James Swetnam S J Christian D Washburn Peter S Williamson Genesis 1-11 Thomas A. Keiser,2013-08-21 Although the object of centuries of study only relatively recently has Genesis 1 11 been analyzed with attention to its literary unity and theological purpose With the latter twentieth century s increased attention to synchronic approaches many scholars began to consider Genesis 1 11 from the perspective of a literary unity in its final form and therefore to consider matters of intent and theological content Yet in spite of these treatments there have been virtually no attempts to view the entire section of Genesis 1 11 as a literary and theological unity presenting a coherent message This book begins to fill this void by seeking to identify the message of these chapters through utilization of a literary theological approach The study focuses on literary features including the broader issues of surface and deep structure while other topics of special concern include rhetoric as the art of composition for the purpose of communication and persuasion and the use of speech as an important indicator of key issues in Hebrew narrative **Reading the Two Books of God** Thomas W. Mann,2022-09-29 Thomas W Mann is a biblical scholar and retired parish minister and the author of numerous books and articles He is particularly interested in how experiences in nature prompt theological reflection based in the Bible shaping our sense of sacred time and place and how the lectionary readings of the church year also provide a spiritual calendar for the seasons of our lives The result is a conversation inspired by poets and writers like Mary Oliver Wendell Berry and John Muir but also by philosophers and theologians ranging from Abraham Joshua Heschel to David Kelsey Along the way we enter beach time and take backpacking trips in the Sierras but also join the triumphal entry parade on Palm Sunday and listen to the stable animals on Christmas Eve We perceive the beauty of creation through the eyes of science as well as religion sensually as well as intellectually We celebrate our communion with all creatures from fungus to forests inspired with awe and reverence and with a responsibility to care for the earth so threatened by climate change *Asbury Bible Commentary* Zondervan,2022-10-04 A one volume evangelical Wesleyan commentary on the entire Bible John Wesley

believed the Bible to be the Word of God and he insisted that Wesleyan teaching conform to that standard This commentary carefully explains the Bible book by book in terms of the intentions of the authors who composed it At the same time it is an inspiring exposition of the Bible s message for us and the peoples of all times The work includes introductory articles that reinforce the historic Wesleyan view of the infallibility and authority of the Scriptures Written by nearly fifty scholars this work is a collaboration to aid pastors Sunday school teachers Bible study leaders college and seminary students and others who love the Word of God

Leviticus as Discourse Allison K. Hamm,2025-02-25 Leviticus as Discourse is an inquiry into textual interpretation as an activity of self orientation It explores how readers orient themselves to texts they do not understand why they do it and what happens in the process Drawing on the work of Paul Ricoeur George Steiner and a range of voices across disciplines and faiths Part I develops a hermeneutic of discourse in which difficulty features prominently as both challenge and opportunity Part II tests this hermeneutic of difficult discourse through three exegetical probes of the function of discourse as it is portrayed in Leviticus In light of this theoretical and exegetical work the book concludes by suggesting that the extent of a text s difficulty may be precisely the extent of its potential to enlarge and enrich our ways of seeing the world and our place within it Anchored in robust scholarship and close reading of the biblical text Leviticus as Discourse demonstrates the practical value of developing transferable interpretive skills to offer a fresh take on the relevance of Leviticus for contemporary readers

Two Can Play That Game D. Eric Lowdermilk,2016-12-22 John 21 portrays seven disciples fishing all night yet catching nothing In the morning a shoreline stranger instructs them to recast their net Surprisingly the disciples fail to recognize him After a miraculous catch and subsequent breakfast however there is no doubt as to who this stranger is Jesus then questions Peter about his love and commissions him to feed Jesus sheep Using narrative criticism Lowdermilk examines this recognition scene asking How would a reader well acquainted with recognition and deception as portrayed in Genesis understand John 21 He discards trickster terminology and argues that biblical recognition occurs within a context of manipulation After proposing a detailed taxonomy of manipulation he ventures further and argues for patterns in Genesis where manipulators are counter manipulated in a reciprocal manner ironically similar to their own behavior providing a transforming effect on the manipulator These findings plus a careful examination of Greek diminutives inform Lowdermilk s new reading of John 21 1 19 Peter withholds his identity as a disciple in John 18 and later Jesus actively withholds his identity in ironic counter manipulation mirroring Peter s denials Jesus threefold questioning of Peter continues the haunting echoes of Peter s earlier denials Will it result in a disciple transformed

Grace in the Midst of Judgment Johnson T. K. Lim,2010-11-05 This book presents the development of a theological reading strategy in conversation with contemporary hermeneutical theories Using that as a model Gen 1 11 is read as a unified text refracted through the prism of textuality from a canonical approach

The Imago Dei John T. Swann,2017-07-07 The creation of humankind in the Image of God is perhaps the most foundational tenet of theological anthropology yet it is rarely understood in the fullness of what it

represents Too often focus is placed on the divine image as a condition A study of the Scriptures suggests that it is better understood not as a condition but rather as a commission of humanity to a role specifically a priestly role This book delves into the recognition that the Image of God is nothing less than a divine commission over all of humanity to serve as priests within the temple of creation It examines not only the creation of humankind as a priesthood in the opening chapters of Genesis but also the echoes of this anthropological interpretation throughout the Scriptures and the resulting ramifications for future biblical and theological studies

Kinship by Covenant Scott Hahn, 2009-01-01 While the canonical scriptures were produced over many centuries and represent a diverse library of texts they are unified by stories of divine covenants and their implications for God's people In this book Scott Hahn shows how covenant as an overarching theme makes possible a coherent reading of the diverse traditions found within the canonical scriptures Biblical covenants though varied in form and content all serve the purpose of extending sacred bonds of kinship Hahn explains Specifically divine covenants form and shape a father son bond between God and the chosen people Biblical narratives turn on that fact and biblical theology depends upon it The author demonstrates how divine sonship represents a covenant relationship with God that has been consistent throughout salvation history From publisher's description

Genesis and Exodus John W. Rogerson, R. W. L. Moberly, William Johnstone, 2001-07-01 The highly popular Sheffield Old Testament Guides are being reissued in a new format grouped together and prefaced by one of the best known of contemporary biblical scholars This new format is designed to ensure that these authoritative introductions remain up to date and accessible to seminary and university students of the Old Testament while offering a broader theological and literary context for their study John Goldingay introduces Genesis and Exodus as a whole illuminating their distinctive literary and theological features and their importance for modern theological reflection

Habakkuk Heath A. Thomas, 2018-07-17 The book of Habakkuk has much to teach us about suffering and complaint faith and fear and the fidelity of God in times of trouble it generates reflection on prayer peace violence and faithfulness In this volume one of the few commentaries examining Habakkuk by itself Heath Thomas explores this overlooked Old Testament prophet in order to hear God's word for us today

Genesis 12-50 R. W. L. Moberly, 1992-01-11 Walter Moberly's study Guide to Genesis 12-50 provides an invaluable introduction to the second part of Genesis and is essential reading for anyone interested in the patriarchal narratives and the earliest history of the people of Israel

The Book of Genesis William T. Miller, 2006 This volume represents the launch of The Bible Question by Question series Intended for Bible study groups individual reading or classroom use the volumes in this series provide a methodical approach to Bible study that incorporates the practical insights of modern biblical research The Book of Genesis Question by Question was designed to assist individuals or groups who are planning to read the entire book of Genesis and who want to gain a full understanding of its meaning its authorship and the circumstances under which it was written This book is not intended to compete with major commentaries but rather to guide readers who want to work with the Genesis stories right

away and who can subsequently develop an appetite for some of the wealth of fine details found in other modern reference works Readers are encouraged to develop religious appreciations and overviews as they progress toward the end of the journey rather than at the start This book is divided into a series of sections based on individual stories or remarks made by the various authors and editors of Genesis For each section an introduction provides the basic information needed to read that biblical story in line with current scholarship but much comment and analysis is held in reserve until the readers have moved on to try their hand at the questions The answers at the end of the book should be consulted by readers after they have invested time in reflection and in writing down their own responses In each section the conclusions that follow the question and answer process are meant to be practical rather than exhaustive since the goal is to move on to the next section with the same plan to get hands on the verses of the next story Taken together this book provides an excellent introduction to Genesis and constitutes the ideal launch of what is destined to be a widely popular series for Bible study

Old Testament Theology Paul R. House, 2012-11-30 Paul R House provides a comprehensive theology of the Old Testament carefully exploring each Old Testament book thematically summarizing its content and showing its theological significance within the whole of the Old Testament canon Student friendly and useful to a wide audience this impressive work has proved a profitable read for many

Restoring the Right Relationship Mark A. O'Brien, 2014-12-31 A leading biblical scholar Hans Heinrich Schmid believes that righteousness or the right order of the world is the fundamental problem of our human existence It is a key theme in the Hebrew Bible Old Testament s theology of creation and salvation along with associated themes such as justice steadfast love loyalty truth fidelity compassion mercy sin and disorder chaos A number of studies of righteousness have been undertaken but most have tended to focus on Israel s call to be righteous as voiced in particular in the Prophetic Books and the Psalter In contrast this book focuses on divine righteousness as the basis for all other notions of righteousness as this is outlined in the foundational teaching or revelation of the Hebrew Bible Old Testament namely the Torah or Pentateuch It then undertakes a study of how righteousness in the Prophetic Books the Psalter and the Book of Job relates to this foundational teaching

Sinai and the Saints James M. Todd III, 2017-01-21 What should Christians do with all the laws in the Old Testament James Todd makes a bold claim by contending that as followers of Jesus Christ who stand under a new covenant Christians are no longer subject to any of the Old Testament laws With wit and insight Todd helps us understand how the laws given at Mount Sinai should be read by those called to live as saints

Genesis as Dialogue Thomas L. Brodie, 2001 Recent years have seen a remarkable surge in interest in the book of Genesis the first book of the Bible This text aims to offer a complete and accessible overview of Genesis from literary theological and historical standpoints

A Canonical Exegesis of the Eighth Psalm Hubert James Keener, 2013-11-07 Since Brevard Childs first introduced it as a fresh approach in the late 1960s canonical exegesis has grown into a widely discussed and developed program virtually a school of biblical interpretation with many scholars carrying forward an approach to theological exegesis

that emphasizes the role of canon as the central context for interpretation of the Christian Scriptures In this study Keener takes a twofold approach 1 he demonstrates that a canonical exegesis is tenable if the task is approached with clarity regarding its core theological foundation and 2 he applies the approach to the interpretation of the often thorny questions surrounding the understanding of Psalm 8 This is useful in that Psalm 8 touches upon several questions germane to the successful implementation of canonical exegesis due to the many intertextual connections it shares with the rest of the Bible Keener concludes that Psalm 8 in the Old Testament represents the intersection of two trajectories 1 the reversal motif in which YHWH maintains the created order through the exaltation of the weak and the humble and 2 the motif of the conflicted and conflicting human in which humans are shown as beset by trials often failing and even occupying the role of the enemies of YHWH A third trajectory becomes visible in the context of the New Testament that of the redeeming Christ this third trajectory intersects with the two Old Testament trajectories and makes possible the redemption of conflicted humanity giving the ultimate answer to the psalmist's question What is the human
