The Official Investors Guide Gold Coins:

The Official Investors Guide, Buying, Selling Gold Coins Marc Hudgeons, 1985 **The Investor's Guide to United States Coins** Neil S. Berman, Silvano DiGenova, 2007-03 A bible for coin investment in the 21st century A Complete Statistical Analysis of How Coin Collectors Can Profit With Rare Coins Twenty years ago the first edition of this book was revolutionary in its approach to the buying and selling of rare coins Collectors and investors were told that if they followed empirical models of price performance and investment return not only would they profit handsomely but their coin purchases would also outperform traditional investment vehicles For this new edition the well known professional numismatist Silvano DiGenova and Dr Jason Perry Financial Economist at the Federal Reserve Bank of Boston have joined the book's original author Neil S Berman to fully update the contents taking into account the steady acceleration in rare coin prices changes in trading practices the revolution in grading standards and external factors affecting the buying and selling of coins The result is a no holds barred look at today's evolving market that is indispensable to experienced collectors and investors as well as neophytes Included is an extensive price history of all United States coins from 1955 to date with notable auction results and listings of key dates The numerous charts of data and illustrative graphs interspersed throughout will be useful to dealers and collectors alike in forming strategies to take advantage of what will be one of the great growth areas of the 21st century

Rare Coin Investing David L. Ganz, 2010-09-07 Invest in Affordable Rare Coins Want to broaden your retirement portfolio beyond stocks and bonds Studies show that the same amount of money invested in the stock market and in rare coins can result in a better return by investing in rare coins Consider adding rare coins to your investment portfolio But don't think you have to spend thousands of dollars on a one of a kind coin to see a portfolio return on your investment For as little as 100 a coin you can start building a portfolio that can bring solid gains Learn how great coin collections were built with low cost coins See how a portfolio of coins gained in value over 10 years 20 years 30 years and more Study the author's recommendations for affordable coins you can buy now The Official Investors Guide to Buying and Selling Silver Dollars Marc Hudgeons, 1986-12 The Prudent Investor's Guide to Owning Gold Austin Pryor, 2013-02 This primer will give you everything you need to know rather than everything there is to know about gold and inflation From the birth of money to current gold investment vehicles The Prudent Investor's Guide to Owning Gold is a great guide for those interested in investing in the most famous of precious metals Furthermore it will likely prompt concern with where the dollar is headed as it highlights the current state of inflation and the potential threat of hyperinflation The Official Price Guide to Antiques and Other Collectibles, 1983 **Young Investor's Guide** Sunil Kumar Parey, 2021-10-04 Young Investor's Guide is written to cater to the young generation who have started earning or just settled with work The language and content of the book have been kept simple and act as a guide so that the young generation can use it for actual investment Before starting any investment journey one needs to understand the importance of insurance and emergency funds The investment journey can

be divided into short term medium term and long term investments Investments can be done in tangible and non tangible assets One has to fulfil their responsibility towards family children s education and marriage One day everyone has to retire therefore planning for retirement is essential to avoid dependency on others Life after retirement should be comfortable and you should be able to contribute to charity It is important to monitor and protect your wealth so that it grows with you and ultimately goes to the person you desire Finally the book talks about how to set financial goals and plan the future Young Investor s Guide takes a holistic approach towards investment The young generation will learn the basics of investment and their applications Middle aged folks can correct their investment path if they have missed something and seniors can add to their understanding of the investment process as well as to their children and grandchildren **The Official 1992**
