English Fairy Tales and More English Fairy Tales Donald Haase Ph.D., 2002-06-19 The first compilation of the full first edition texts of the classic fairy tale collections by Joseph Jacobs with Jacobs' original prefaces and annotations. In these two classic collections first published in 1890 and 1894, Joseph Jacobs combined folklore, children's literature, and the eclectic scholarship of the Victorian era to create a storehouse of tales that inhabited the imaginations of children and adults for generations. Here, readers first met Tom Tit Tot, Molly Whuppie, and Jack the Giant Killer, and first read the stories of the Three Little Pigs, the Three Bears, and Henny Penny. Jacobs' daring collections challenged conventional thinking about the meaning of folk, the individual artistry behind folktales, and the boundaries between folklore and literature, anticipating modern developments in folklore studies. His original editions of these 87 classic tales, along with the original illustrations, are reprinted in this new volume, offering readers an unsurpassed understanding of the development of the classic fairy tale in late Victorian England.

Italian Gothic Horror Films, 1957-1969 Roberto Curti, 2015-03-27 The Gothic style was a key trend in Italian cinema of the 1950s and 1960s because of its peculiar, often strikingly original approach to the horror genre. These films portrayed Gothic staples in a stylish and idiosyncratic way and took a daring approach to the supernatural and to eroticism, with the presence of menacing yet seductive female witches, vampires, and ghosts. Thanks to such filmmakers as Mario Bava, *Black Sunday*, Riccardo Freda, *The Horrible Dr. Hichcock*, and Antonio Margheriti, *Castle of Blood*, as well as the iconic presence of actress Barbara Steele, Italian Gothic horror went overseas and reached cult status. The book examines the Italian Gothic horror of the period with an abundance of previously unpublished production information drawn from official papers and original scripts. Entries include a complete cast and crew list, home video releases, plot summary, and the author's analysis. Excerpts from interviews with filmmakers, scriptwriters, and actors are included. The foreword is by film director and scriptwriter Ernesto Gastaldi.
