**The Old Testament for Modern Readers** D. B. J. Campbell, 1972      **The Modern Reader's Bible** Richard Green Moulton, 1907      The Original Bible David Reed, 2013-02-13 THOUSANDS of ancient manuscripts including the Dead Sea Scrolls and other ancient documents confirm that we today possess the original Bible And multiple independent translations allow modern readers to see that the Word of God has been faithfully translated into our own language The availability of many good translations today also makes it possible for readers to get a fresh perspective and a deeper understanding as they read the Bible over and over again following the admonition to meditate on it day and night Joshua 1 8 compare Psalm 1 2 The divine Author of the Bible used dozens of human penmen to produce the collection of histories psalms prophecies and teachings that are bound together today as one Bible Old Testament and New Testament for us to read take to heart and obey He produced the Bible for our benefit Blessed is he who reads and those who hear the words and keep the things that are written in it Revelation 1 3 Every Scripture is God breathed and is profitable for teaching for reproof for correction and for instruction in righteousness that the man of God may be complete thoroughly equipped for every good work 2 Timothy 3 16 17 For the word of God is living and active and sharper than any two edged sword piercing even to the dividing of soul and spirit of joints and marrow and is able to discern the thoughts and intentions of the heart Hebrews 4 12 The Bible s divine Author wants us to read it to think about it and to discuss it with our families you shall lay up these my words in your heart and in your soul You shall teach them to your children talking of them when you sit in your house and when you walk by the way and when you lie down and when you rise up Deuteronomy 11 18 19 THE ORIGINAL BIBLE FOR MODERN READERS TOB follows the tradition of the American Standard Version ASV The Jerusalem Bible JB The Living Bible LB and the World English Bible WEB in featuring the sacred name of God wherever it occurs in surviving manuscripts of the Old Testament rather than the custom of substituting the title the LORD in small caps So where some other translations speak of the fearful name the LORD the LORD This is my name forever and I will proclaim my name the LORD Deut 28 58 Ex 3 15 33 19 TOB features God s name as the original manuscripts did With a few exceptions The Original Bible for Modern Readers features the text of the copyright free World English Bible November 2012 HTML version The exceptions include the occasional use of the World English Bible s alternate readings from the footnotes where those seem more understandable corrections found in later updates of the World English Bible the word used when rendering the divine name and the use of quotation marks paragraphing etc in sections where that work had not yet been completed in the WEB Rather than the transliteration Yahweh The Original Bible for Modern Readers uses the more familiar translation Jehovah following the pattern of the American Standard Version and The Living Bible consistent with the English translation and pronunciation of the names of the Messiah and ancient Jewish kings Jesus Jehovah saves Jehoshaphat Jehovah judges and Jehoram Jehovah is exalted for example YOU MAY FREELY COPY from The Original Bible for Modern Readers because it is not copyrighted It is in the public domain so

Dave Armstrong, 2014-07-15 Many revisions of the King James Authorized Bible of 1611 exist even revisions of revisions have been done ASV to NASB RV to RSV KJV to NKJV etc The present work is a similar hybrid I don't know Greek and am therefore not qualified in the slightest to actually translate and did not translate a single word But I know English as a professional author and know the Bible as a longtime Christian apologist very well This work accordingly isn't technically a new translation at all but rather a selection or collection of what I personally felt were the best renderings that maintained the KJV style as much as possible without the archaisms When I updated the olde English language I sought to maintain a high Victorian 18th 19th century style of British English This NT selects from the following six translations all in the public domain 1 KJV 1611 rev 1769 2 Rheims 1582 rev 1750 3 Young's Literal 1887 4 Weymouth 1903 5 20th Century 1904 6 Moffatt 1922 **An Introduction to the Old Testament** Harlan Creelman, 1917 This introduction discusses and classifies the Old Testament literature from the standpoint of history and chronology i.e. the different books or sections or

chapters or verses as the case may be are taken up in chronological sequence as they relate to definite periods of Hebrew history either as the Old Testament furnishes the history of those periods or as its literature had its origin in them Preface
