The One That Got Away Carol Rosenfeld, 2015-06-01 Bambi Devine, known to her friends as b d, is a middle-aged bridal consultant who has recently come out to her friends after years of kidding herself about her sexuality. Only to find out her friends knew all along and were just too polite to say anything to her. Then b d meets Bridget McKnight, the woman of her dreams. Unfortunately for her, Bridget is in a relationship with Natalie Lamont. But Natalie's intense friendship with Maxine Huff has New York City's lesbian community buzzing with speculation: Are they really just friends? Could these two members of the Park Slope Clitocybes, a mycological society, share a passion for more than morels? And more importantly, for b d, does this mean she stands a chance with Bridget? After years of hand-holding demanding brides, b d knows what love can do to sane people. Fortified by doses of drag queen wisdom from her boss Eduardo, b d tackles unrequited love and lust, dyke drama, and being in a relationship without having a date for New Year's Eve. In this romp about queer life in New York City, Carol Rosenfeld is an accomplished short-fiction writer and poet. Though it's been a while since she participated in a poetry slam, she is very busy as the voluntary chair of the Publishing Triangle, which has been promoting LGBT literature since 1988. Carol has lived in New York since 1976 and can often be found at the opera; she has a growing fascination for Wagner and quite a few questions too.

The One that Got Away Howell Raines, 2006-05-16 Lost fish writes Howell Raines chasten us to the knowledge that we are all in each and every moment, dwindling. Imagine my surprise when I discovered well into my sixth decade that losing fish can prepare us for a blessing as well as for pain. Confronting loss of an elusive fish or something larger is at the heart of *The One That Got Away*, the graceful sequel to Raines's much-loved bestselling memoir *Fly Fishing Through the Midlife Crisis*, published to great acclaim in 1993. With the same winning combination of reminiscences, anecdotes, philosophy, and fishing lore, his bold new memoir covers the eventful years in this latest passage of his life and the realization that in relinquishing his former identity as a newspaperman, he has actually gotten what he wanted, just in the most unlikely way. In wry and witty prose, Raines shifts between fishing vignettes and personal reflections on his childhood, his second marriage, his relationships with his two sons, the trajectory of his career at *The New York Times*, and his move toward old age. At the center of his narrative is his most thrilling fishing adventure: an epic battle with a marlin he hooked and fought for more than seven hours in the South Pacific, which comes to symbolize his growing understanding and acceptance of the unpredictability of luck, love, lies, and life, and how the unexpected can, in fact, be an opportunity to make life more

interesting Raines s wonderful descriptions of streams people and fish his passion for angling and writing and his wise and perceptive commentary on the vagaries of his own life combine to create a profound book one of undeniable appeal and uncommon heart
